Independent Auditors' Report

To the Members of the Boards of Directors of
HumanGood California Obligated Group & Foundation Affiliates (Members of HumanGood)

Report on the Continuing Care Liquid Reserve Schedules

Opinion

We have audited the accompanying continuing care liquid reserve schedules, Form 5-1 through Form 5-5 (the Schedules) of the HumanGood California Obligated Group & Foundation Affiliates (Members of HumanGood) (the Corporations), which comprise the continuing care liquid reserve schedules, as of and for the year ended December 31, 2021, and the related notes to the continuing care liquid reserve schedules.

In our opinion, the Schedules referred to above present fairly, in all material respects, the continuing care reserves of the Corporations as of and for the year ended December 31, 2021 in accordance with the liquid reserve requirements of California Health and Safety Code Section 1792 as described below.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Schedules section of our report. We are required to be independent of the Corporations and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 to the Schedules, which describes the basis of accounting used to prepare the Schedules. The Schedules are prepared by the Corporations on the basis of the liquid reserve requirements of California Health and Safety Code Section 1792, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of California Health and Safety Code Section 1792. Our opinion is not modified with respect to this matter.

Management's Responsibility for the Schedules

Management is responsible for the preparation and fair presentation of these Schedules in accordance with the liquid reserve requirements of California Health and Safety Code Section 1792. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the Schedules that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility for the Audit of the Schedules

Our objectives are to obtain reasonable assurance about whether the Schedules as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the Schedules.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the Schedules, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the Schedules.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporations' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the Schedules.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporations' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Restriction on Use

Our report is intended solely for the information and use of management and the board of directors of the Corporations and the State of California, Department of Social Services and is not intended to be, and should not be, used by anyone other than these specified parties.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the Schedules, as a whole.

The accompanying supplementary information on pages 23 through 30 is presented for the purpose of additional analysis and is not a required part of the Schedules. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the Schedules. The information has been subjected to the auditing procedures applied in the audit of the Schedules, and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the Schedules, or to the Schedules themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the Schedules, taken as a whole.
