Independent Auditors' Report

To the Board of Directors of HumanGood East

Opinion

We have audited the consolidated financial statements of HumanGood East (the Corporation), which comprise the consolidated balance sheets as of December 31, 2022 and 2021, and the related consolidated statements of operations and changes in net assets and cash flows for the years then ended, and the related notes to the consolidated financial statements. We have also audited the basic financial statements of HumanGood Pennsylvania, which comprise the balance sheets as of December 31, 2022 and 2021, and related statements of operations and changes in net assets and cash flows for the years then ended (the basic financial statements) (discretely presented on pages 36 to 42, and the related notes to those basic financial statements).

In our opinion, based on our audits and the reports of the other auditors, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Corporation as of December 31, 2022 and 2021 and the results of their operations and changes in net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America (GAAP). Also, in our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of HumanGood Pennsylvania as of December 31, 2022 and 2021, and the results of its operations and changes in net assets and its cash flows for the years then ended in accordance with GAAP.

We did not audit the financial statements of certain affiliates of the Corporation, which statements reflect total assets constituting 19 percent of consolidated total assets as of December 31, 2022 and total operating revenues and other support constituting 19 percent of consolidated total operating revenues for the years then ended December 31, 2022. Those statements were audited by other auditors, whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for such entities, is based solely on the reports of the other auditors

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Corporation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern within one year after the date that the financial statements are issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating information on pages 36 through 42 is presented for purposes of additional analysis and it is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidating information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

NorCal, SoCal and TSJG, collectively form the HumanGood California Obligated Group (COG). HumanGood and HumanGood Cornerstone's Boards are composed of the same seven directors.

Basis of Presentation and Principles of Consolidation

The consolidated financial statements include the accounts of HGE and all of HGE's subsidiaries (collectively, the Corporation) listed in the Organization section of this note. All intercompany balances and transactions have been eliminated in consolidation. The consolidated financial statements of the Corporation were prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) on the accrual basis of accounting.

Consolidated Financial Statement Disclosures

The disclosures included in the notes to the consolidated financial statements consider both the Corporation's consolidated financial statements, as well as HGPA's basic financial statements.

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of the consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reported periods. Significant items subject to such estimates and assumptions include the allowances for contractual and uncollectible accounts receivable; fair values of notes receivable; fair values of investments; future service benefit obligations; rebatable entrance fees due; entrance fees subject to refund; entrance fees nonrefundable; liabilities for self-insured workers' compensation; self-insured health insurance; liabilities for pension and retirement plans; and valuation of split-interest agreements. Actual results could differ from those estimates.

Notes to Consolidated Financial Statements December 31, 2022 and 2021 (In Thousands)

Cash and Cash Equivalents

Cash and cash equivalents are defined as cash on hand, demand deposits with financial institutions and overnight investments considered to be cash equivalents. For purposes of the consolidated statements of cash flows, cash, cash equivalents and restricted cash include investments purchased with an initial maturity of three months or less.

Restricted Cash and Cash Equivalents

Restricted cash and cash equivalents include cash and cash equivalents held under bond indenture agreements, assets held under U.S. Department of Housing and Urban Development (HUD) agreements and first-generation entrance fees.

Resident Accounts Receivable and Other Receivables

The Corporation assesses collectability on all resident accounts prior to providing services. An allowance for uncollectible accounts is recognized to reduce accounts receivable to its net realizable value for impairment of revenues for changes in resident credit worthiness. The allowance is estimated by management based on factors such as aging of the accounts receivable (outstanding balances over 150 days are fully reserved), and anticipated collection of the consideration. Accounts are written off through bad debt expense when the Corporation has exhausted all collection efforts and accounts are deemed uncollectible.

Entrance fee receivables, included in other receivables, net, are evaluated for collectability prior to residents being admitted to the community based on the resident's credit worthiness. The terms and conditions of each entrance fee receivable are determined when a resident agreement is executed.

Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value. Investment income or loss (including realized and unrealized gains and losses on investments, interest, dividends and capital gain distributions) is included in (loss) income from operations unless the income or loss is restricted by donor or law. Interest income is measured as earned on the accrual basis. Dividends are measured based on the ex-dividend date. Purchases and sales of securities and realized gains and losses are recorded on a trade-date basis.

The Corporation's investments are comprised of a variety of financial instruments and are managed by investment advisors. The fair value reported is subject to various risks, including changes in the equity markets, the interest rate environment and general economic conditions. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the fair value of investment securities, it is reasonably possible that the amounts reported could change materially in the near term.

Restricted Investments

Certain investments are classified as restricted investments in the accompanying consolidated balance sheets (see Note 4). These include assets set aside in accordance with donor restrictions.

Notes to Consolidated Financial Statements December 31, 2022 and 2021 (In Thousands)

Land, Buildings and Equipment, Net

Land, buildings and equipment are recorded at cost, or fair value when received, if donated. The cost basis includes any interest, finance charges and other related costs capitalized during construction. Maintenance and repair costs are charged to operations when incurred.

Depreciation of buildings and equipment is computed on the straight-line method using estimated useful lives of 3 to 40 years. When assets are retired or otherwise disposed of, the cost of the asset and its related accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized in income for the period.

Asset Impairment

The Corporation periodically evaluates the carrying value of its long-lived assets for impairment. The evaluations address the estimated recoverability of the assets' carrying value, which is principally determined based on projected undiscounted cash flows generated by the underlying tangible assets. When the carrying value of an asset exceeds estimated recoverability, an asset impairment is recognized. No impairment was recorded during the years ended December 31, 2022 and 2021.

Other Noncurrent Assets

Other assets are primarily comprised of contract acquisition costs, contributions for membership in Caring Communities, a Reciprocal Risk Retention Group (CCrRRG), Ziegler Link-Age capital contribution, net, tax credit compliance fees, health insurance program capital contribution, noncurrent portion of pledges receivable and capitalized contract acquisition costs.

Beneficial Interest in Split-Interest Agreements and Perpetual Trusts

The Corporation has been designated the beneficiary under several split-interest agreements and perpetual trusts.

Under the split-interest agreements, the Corporation primarily recorded the assets and recognized restricted contributions at the fair value of the estimated present value of the remainder interest in the split-interest agreements. The Corporation revalues its interest in the split-interest agreements annually and reports gains or losses in the net assets with donor restrictions class.

A perpetual trust is held by a third-party and is an arrangement in which the donor establishes and funds a trust to exist in perpetuity that is administered by an individual or organization other than the beneficiary. The Corporation has the irrevocable right to receive the income earned on the trust's assets but will never receive the assets themselves. The Corporation recognizes contribution revenue at the time an irrevocable trust is created, at the fair value of the trust's assets (a proxy for present value of discounted cash flows). The contribution revenue is classified with donor restrictions.

The Corporation revalues its interest in the perpetual trusts annually and reports gains or losses in net assets with donor restrictions class.

Notes to Consolidated Financial Statements December 31, 2022 and 2021 (In Thousands)

Deferred Debt Issuance Costs

Expenses incurred in connection with the issuance of debt are deferred and are amortized over the term of the related financing agreements using the interest method. These unamortized amounts are presented in the balance sheets as a direct deduction from the carrying amount of that debt liability, consistent with debt discounts. Amortization expense, which is included as a component of interest expense, was \$154,000 in 2022 and \$167,000 in 2021 (including amortization specific to HGPA of \$73,000 in 2022 and \$96,000 in 2021).

Resident Deposits

Resident deposits included in prepaid expenses, deposits and other assets on the accompanying consolidated financial statements, represent entrance fees deposits paid to reserve a residence at Rydal Park and Rosemont. These deposits become part of the entrance fees when the resident moves in, or are fully refundable at the residents' discretion. Resident deposits also represent security deposits paid in advance to cover possible costs when residents vacate their apartments. These deposits are taken into income only if earned upon the termination of a rental agreement.

Entrance Fees

The Rydal Park and Rosemont communities charge entrance fees to residents to obtain a nontransferable right to lifetime occupancy at one of the retirement communities. Residents enter into different types of continuing care contracts depending on their move-in date and the community they reside in. Under the terms of the various contracts, entrance fees are recorded as either rebatable entrance fees due, entrance fees subject to refund or entrance fees nonrefundable. Entrance fees may be nonrebatable or, for certain Rydal Park residents, entrance fees may be subject to refund. Under the nonrebatable contracts, entrance fees are generally subject to refund on a decreasing basis for 32 to 50 months, depending on the contract selected, after which no refund is due or payable. The refundable contracts have a guaranteed rebate component, which is 50% or 90% of the entrance fees paid; the balance of the entrance fees paid under the 90% refundable contracts is generally nonrefundable while the balance of the entrance fees paid under the 50% contract is generally refundable on a decreasing basis for 25 months.

Nonrefundable entrance fees are recorded as entrance fees nonrefundable upon receipt and amortized to income using the straight-line method over the annually adjusted estimated remaining life expectancy of the resident. Entrance fees subject to refund will be amortized to income in future years unless refunded. The refundable amounts for Rydal Park residents are reported as rebatable entrance fees due and are not amortized to income.

Refunds to residents are generally paid when the residential living unit vacated has been reoccupied by a new resident and the entrance fees have been paid in full by the new resident.

Obligation to Provide Future Services

In accordance with existing care and residence agreements, HGPA is obligated to provide future health care services for life to the residents of Rydal Park at a fixed fee arrangement, subject to normal escalations. Management periodically engages an actuary, on a community rotation basis, to calculate the obligation to provide future health care services to the current contracted residents in excess of related anticipated revenues. Based upon the last calculation performed (as of December 31, 2022), the present value of future outflows to provide future services adjusted for certain noncash items, did not exceed the balance of future cash in-flows, based on a discount rate of 5%. As such, no liability for the obligation to provide future services has been recorded at December 31, 2022 and 2021.

Notes to Consolidated Financial Statements December 31, 2022 and 2021 (In Thousands)

Net Assets

Net assets, revenues, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor restrictions. All revenue not restricted by donors and donor-restricted contributions whose restrictions are met in the same period in which they are received are accounted for in net assets without donor restrictions.

Net Assets With Donor Restrictions - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. All revenues restricted by donors as to either timing or purpose of the related expenditures or required to be maintained in perpetuity as a source of investment income are accounted for in net assets with donor restrictions. When a donor restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Net Resident Service Revenues

Net resident service revenues are reported at the amount that reflects the consideration the Corporation expects to receive in exchange for the services provided. These amounts are due from residents or third-party payors and include variable consideration for retroactive adjustments, if any, under reimbursement programs. Performance obligations are determined based on the nature of the services provided. Net resident service revenues are recognized as performance obligations are satisfied.

Payment terms and conditions for the Corporation's resident contracts vary by contract type and payor source. Net resident service revenues for recurring and routine monthly services are generally billed monthly in advance. Net resident service revenues for ancillary services are generally billed monthly in arrears. Additionally, entrance fees are generally billed and collected in advance of move-in.

Net resident service revenues are primarily comprised of the following revenues streams:

Health Center

Health center revenues are primarily derived from providing nursing services to residents at a stated daily fee, net of any explicit and implicit price concessions. The Corporation has determined that health center services are considered one performance obligation, which is satisfied over time as services are provided. Therefore, health center revenues are recognized on a daily basis as services are rendered.

Health center revenues, including monthly service fees, ancillary and other services fees are reported at the estimated net realizable amounts from residents, third-party payors and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payors.

Notes to Consolidated Financial Statements December 31, 2022 and 2021 (In Thousands)

The Corporation receive revenues for services under third-party payor programs, including Medicare, Medicaid and other third-party payors. Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action, including fines, penalties and exclusion from the Medicare and Medicaid programs. A summary of the principal payment arrangements with major third-party payors follows:

Medical Assistance - Nursing services provided to Medical Assistance program beneficiaries are paid at prospectively determined rates per day. These rates vary according to a resident classification system that is based on clinical, diagnostic and other factors and the reimbursement methodology is subject to various limitations and adjustments.

The Department of Human Services in the Commonwealth of Pennsylvania has a mandatory Medical Assistance managed care program, Community HealthChoices (CHC), for skilled nursing (SN) facilities across the Commonwealth of Pennsylvania. The primary goals of CHC are to better coordinate health care coverage and improve access to medical care. The services for which Medical Assistance program beneficiaries are eligible have not changed under CHC.

CHC became effective for the Corporation's SN facilities on January 1, 2019. Prior to CHC, the Medical Assistance reimbursement system was a fee-for-service (FFS) system. CHC eliminated the FFS payment methodology. Under CHC, each Medical Assistance program beneficiary is able to choose a managed care organization (MCO). The rates paid to the Corporation's SN facilities by the MCO's were subject to a "floor" through December 31, 2021. The "floor" was equal to the average of each facility's prior four quarters (i.e., January 1, 2019 through December 31, 2019) Medical Assistance rates. Effective January 1, 2022 the rates paid by the MCOs was subject to negotiation. Effective January 1, 2023, nursing services provided to Medical Assistance program beneficiaries will be paid by the MCOs at prospectively determined rates per day. These rates will be adjusted quarterly based on a resident classification system that is based on clinical, diagnostic, and other factors..

Medicare - Nursing and ancillary services provided to Medicare Part A beneficiaries are paid at prospectively determined rates per day. These rates vary according to a resident-specific classification system that is based on clinical, diagnostic and other factors and the reimbursement methodology is subject to various limitations and adjustments.

Medicare Part A rates are based on clinical, diagnostic and other factors. The determination of these rates is partially based on HGPA's clinical assessment of their residents. HGPA is required to clinically assess its residents at predetermined time periods throughout the year. The documented assessments are subject to review and adjustment by the Medicare program.

Other - HGPA also entered into payment agreements with certain commercial insurance carriers and others. The basis for payment to HGPA under these agreements includes prospectively determined rates per day or discounts from established charges.

Notes to Consolidated Financial Statements December 31, 2022 and 2021 (In Thousands)

Settlements with third-party payors for retroactive adjustments due to audits, reviews or investigations are considered variable consideration and are included in the determination of the estimated transaction price for providing resident care. These settlements are estimated based on the terms of the payment agreement with the payor, correspondence with the payor and the Corporation's historical settlement activity, including an assessment to ensure that it is probable that a significant reversal in the amount of cumulative revenues recognized will not occur when the uncertainty associated with the retroactive adjustment is subsequently resolved. Estimated settlements are adjusted in future periods as adjustments become known (that is, new information becomes available), or as years are settled or no longer subject to such audits, reviews and investigations. Adjustments arising from a change in the transaction price were not significant in 2022 or 2021.

Personal Care and Memory Support

Personal care and memory support revenues are primarily derived from providing housing and personal care services to residents at a stated daily fee. The Corporation has determined that the services included in the daily fee have the same timing and pattern of transfer and are a series of distinct services that are considered one performance obligation, which is satisfied over time as services are provided. Therefore, personal care and memory support revenues are recognized on a daily basis as services are rendered.

Residential Living

Residential living revenues are primarily derived from providing housing and services to residents. The Corporation has determined that the services included in the monthly fee have the same timing and pattern of transfer and are a series of distinct services that are considered one performance obligation, which is satisfied over time as services are provided. Therefore, residential living monthly fees are recognized on a month-to-month basis.

Entrance fees collected from residents in advance are recognized as deferred revenues from entrance fees until performance obligations are satisfied and are included in entrance fees nonrefundable in the accompanying consolidated balance sheets. The Corporation recognized amortization income of \$7,538,000 and \$5,809,000 in 2022 and 2021, respectively. The Corporation applies the practical expedient in Accounting Standards Codification (ASC) 606, and therefore, do not disclose amounts for remaining performance obligations that have original expected durations of one year or less. The guaranteed refund component of entrance fees is not amortized to income and is classified as refundable entrance fees and deposits in the accompanying consolidated balance sheets.

Revenues from nonrefundable entrance fees received are recognized through amortization of entrance fees using the straight-line method over annually adjusted estimated remaining life expectancies of the residents which approximates the period of time the goods and services under the agreements are expected to be transferred to residents. The unamortized portion is classified as entrance fees nonrefundable in the consolidated balance sheets.

Affordable Housing Fees and Rents

Affordable housing fees and rents include subsidy receipts from HUD, rental charges from affordable housing units under leases with residents with durations of less than one year and do not represent contracts with customers under ASC 606, and management fees for management services provided to unrelated entities that provide affordable housing for seniors. Subsidy receipts are considered part of the lease and are not considered a contribution under ASC 958. The revenues are recognized monthly using rates established by HUD under ASC 842.

COVID Relief Funding

COVID relief funding in the accompanying consolidated statements of operations and changes in net assets is comprised of amounts received from federal, state and other funding sources related to the COVID-19 pandemic. The Corporation accounts for this funding in accordance with the Financial Accounting Standards Board (FASB) ASC 958-605 guidance for conditional contributions and accordingly, revenues are measured and recognized when barriers are substantially met, which occurs when the Corporation complies with the terms and conditions related to the purpose of the grant rather than those that are administrative in nature.

In March 2020, the Coronavirus Aid, Relief and Economic Security (CARES) Act was signed into law to combat the financial effects of COVID-19. The CARES Act created a Provider Relief Fund (PRF) to provide financial support for healthcare providers. In accordance with the terms and conditions of PRF, the Corporation could apply the funding against lost revenues and eligible expenses not reimbursed from other sources. The Corporation received PRF payments of \$150,000 in 2021. No amounts were received in 2022.

During 2021, the Corporation received \$262,000 of American Rescue Plan Act (ARPA) funding in that was passed through the State of Pennsylvania Department of Human Services under Act 24 of 2020 and \$68,000 of additional other state funding for unemployment credits through the CARES Act. During 2022, the Corporation received an additional \$118,000.

The Corporation has incurred lost revenues and eligible expenses sufficient enough to allow it, in accordance with terms of the respective funding sources, to recognize revenues of \$480,000 in 2021. These amounts were recognized and included in COVID relief funding in the accompanying consolidated statement of operations and changes in net assets. Amounts received in 2022 were not recognized and are included in other long-term liabilities in the accompanying consolidated balance sheet.

Costs due to the pandemic, such as increased personal protective equipment usage, are included in supplies expense in the accompanying consolidated statements of operations and changes in net assets.

The Corporation's methodology for calculating lost revenues, considered an alternate reasonable method due to the standard timing of budget approvals for the Corporation, was calculated using the difference between budgeted resident care revenues and actual resident care revenues for quarterly periods in 2022 and 2021. The Corporation's budgeting process is consistent, rigorous and represents the Corporation's best estimate of actual results given the current environments and known circumstances. Budget variances in operating revenues for 2021 and 2022 were attributable to fluctuations in occupancy due to the COVID-19 pandemic and as such an alternate reasonable method mirroring the budget revenue method was deemed a reasonable approach by the Corporation in establishing how lost revenues were attributable to the coronavirus pandemic.

The majority of the funding received is subject to future reporting and audit requirements. Noncompliance with the terms and conditions of the funding sources could result in repayment of some or all of the support, which can be subject to government review and interpretation. An estimate of the possible effects of these matters cannot be made as of the date these financial statements were issued.

Paycheck Protection Program

In May 2021, the Corporation received proceeds in the amount of \$3,814,000 under the Paycheck Protection Program (PPP) which was established as part of the Coronavirus Aid, Relief and Economic Security (CARES) Act (as amended by the Economic Aid Act (EAA) on December 27. 2020) and is administered through the Small Business Administration (SBA). The PPP provides loans to qualifying nonprofit organizations in amounts up to 2.5 times their average monthly payroll expenses and was designed to provide a direct financial incentive for qualifying nonprofit organizations to keep their workforce employed during the Coronavirus crisis. PPP loans are uncollateralized and guaranteed by the SBA. Advances from the PPP are forgivable after a "covered period" (of eight to twenty-four weeks) as long as the borrower maintains its payroll levels and uses the proceeds for eligible expenses, including payroll, benefits, mortgage interest, rent and utilities. The forgiveness amount will be reduced if the borrower terminates employees or reduces salaries and wages more than 25% during the covered period. The Corporation initially recorded the funds as an advance subject to refund. During 2022, after written notification of forgiveness had been received, and in accordance with guidance for conditional contributions when there is no longer a measurable performance or other barrier and a right of return of the PPP loan, or when such conditions are explicitly waived, the full balance of the PPP loans was recognized and included in COVID relief funding in the accompanying consolidated statement of operations and changes in net assets for the year ended December 31, 2022.

The SBA reserves the right to audit any PPP loan, regardless of size. These audits may occur after forgiveness has been granted. In accordance with the CARES Act (as amended by the EAA), the Corporation is required to maintain its PPP loan documentation for six years after the PPP loan is forgiven or repaid in full and to provide that documentation to the SBA upon request. The Corporation does not believe the results of any audits or reviews by the SBA would have a material impact on the consolidated financial statements.

Financial Assistance

The Corporation, as part of its ministry to older adults, endeavors to provide financial assistance to eligible persons who meet certain criteria without charge or at amounts less than its established rates. Preference shall be given to meet the needs of current residents in accordance with the contractual agreement, which states, "HGPA will not terminate this agreement solely because of resident's inability to meet resident's financial obligations to HGPA." HGPA maintains records to identify and monitor the level of financial assistance it provides. As resources are available, HGPA will agree to subsidize individual persons for studio units and couples for one-bedroom units and in health care with semi-private accommodations.

Notes to Consolidated Financial Statements December 31, 2022 and 2021 (In Thousands)

The following is a summary of the estimated value of HGPA's financial provided assistance during the years ended December 31:

	 2022	2021		
Medical assistance cost in excess of contractual reimbursement, subsidy Financial assistance in support of those in need	\$ 2,400 1,400	\$	3,000 1,500	
Total	\$ 3,800	\$	4,500	

The financial assistance amounts above are not materially different than the difference between the cost of providing services to residents that qualified for financial assistance and the amounts these residents were able to pay for services rendered.

Performance Indicator

The consolidated statements of operations and changes in net assets (and HGPA's basic financial statements) includes the determination of (loss) income from operations. Changes in net assets without donor restrictions, which are excluded from (loss) income from operations consistent with industry practice, include net assets released from restrictions used for property and equipment and capital contributions.

Income Taxes

The Corporation and all of its affiliates, excluding BSA, PresbyHousing, Inc., RSA, PRH, Wynnefield, WSH, PILA, Cantrell, CHI, Witherspoon and WHI are not-for-profit corporations as described in Section 501(c)(3) of the Internal Revenue Code and are exempt from federal income taxes on their exempt income under Section 501(a) of the Internal Revenue Code and are also exempt from state and local income taxes under similar statutes.

Income taxes are not payable by, or provided for by, BSA, RSA, Wynnefield, Cantrell, Witherspoon, Makemie Court and Janney, which are limited partnerships. Taxation related to the partners' share of allocable items is determined separately, outside of BSA, RSA, Wynnefield, Cantrell, Witherspoon, Makemie Court and Janney. PresbyHousing, Inc., PRH, CHI, WHI and MHI are for-profit corporations; there were no items that gave rise to deferred income tax provisions in 2022 and 2021 for these entities. WSH, PILA and JH are limited liability companies that have elected not be treated as a separate entity for federal income tax purposes and under applicable Treasury regulations will be disregarded as separate entities for federal income tax purposes.

The Corporation accounts for uncertainty in income taxes using a recognition threshold of more-likely-than-not to be sustained upon examination by the appropriate taxing authority. Measurement of the tax uncertainty occurs if the recognition threshold is met. Management determined there were no tax uncertainties that met the recognition threshold in 2022 and 2021.

Reclassifications

Certain items in the 2021 consolidated financial statements have been reclassified to conform with the 2022 consolidated financial statement presentation.

Future Accounting Standard

During March 2020, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2020-04, *Facilitation of the Effects of Reference Rate Reform on Financial Reporting*. ASU No. 2020-04 provides optional expedients and exceptions for applying generally accepted accounting principles (GAAP) to contracts, hedging relationships, and other transactions that reference LIBOR or another reference rate expected to be discontinued because of reference rate reform, if certain criteria are met. Entities could elect the optional expedients and exceptions included in ASU No. 2020-04 as of March 12, 2020 and through December 31, 2022. During December 2022, the FASB issued ASU No. 2022-06, *Reference Rate Reform (Topic 848): Deferral of the Sunset Date of Topic 848*. These amendments defer the sunset date of Topic 848 from December 31, 2022 to December 31, 2024. The Corporation is currently assessing the effect that electing the optional expedients and exceptions included in ASU No. 2020-04 would have on the consolidated financial statements.

3. Liquidity and Availability of Resources

As of December 31, the Corporation has financial assets available for general expenditure within one year of the consolidated balance sheets date, consist of the following (in thousands):

	2022			2021		
Cash and cash equivalents	\$	9,489	\$	12,881		
Resident accounts receivable, net		3,452		3,617		
Other receivables, net		2,955		5,845		
Investments		115,448		132,075		
Total	<u> \$ </u>	131,344	\$	154,418		

The Corporation has investments, which are available for general expenditure within one year in the normal course of operations. Accordingly, these assets have been included in the qualitative information above. The Corporation has other restricted cash and cash equivalents and investments for deposits from initial sales contracts, assets held by trustee under trust indenture, assets reserved for and donor-restricted purposes. These restricted cash and investments, which are more fully described in Note 4 are not available for general expenditure within the next year and are not reflected in the amounts above.

As stated in Note 4, the Corporation designated a portion of its investments "reserved" to comply with the requirements of Pennsylvania Act 82, which are excluded from the total financial assets available for general expenditure within one year of the balance sheet date. Although the Corporation does not intend to utilize the Act 82 Reserves for general expenditures as part of its annual budget and approval process, amounts designated as Act 82 reserves could be made available as necessary. The Act 82 reserves are included with the restricted investments in Note 4, and do not have third-party restrictions or limitations on the withdrawal and subsequent liquidation of such funds.

Total investments	\$	122,589	\$	137,108

HGPA's investments (including statutory minimum liquid reserve) totaled \$78,931,000 and \$84,463,000 at December 31, 2022 and 2021, respectively. HGPA's restricted investments totaled \$17,374,000 and \$20,790,000 at December 31, 2022 and 2021, respectively.

Notes to Consolidated Financial Statements December 31, 2022 and 2021 (In Thousands)

HGPA's investments and restricted investments are invested 15% in cash and cash equivalents, 72% in mutual funds, and 13% in alternative investments at December 31, 2022; these percentages were 2% in cash and cash equivalents, 83% in mutual funds, and 15% in alternative investments at December 31, 2021.

Investment return is comprised of the following:

		2022	2021		
Without donor restrictions: Investment income (including \$1,104,000 in 2022 and \$1,616,000 in 2021 specific to HGPA) Investment expenses (including \$145,000 in 2022 and \$173,000 in 2021 specific to HGPA)	\$	1,863 (296)	\$	2,525

Total investment return with donor restrictions		(3,133)	-	2,598	
Total investment return	\$	(25,888)	\$	18,880	

In compliance with Section 9 of the Commonwealth of Pennsylvania's Continuing Care Provider Registration and Disclosure Act (Act 82), the Board of Directors designated a portion of HGPA's investments "reserved" to meet the requirements of Act 82.

Notes to Consolidated Financial Statements December 31, 2022 and 2021 (In Thousands)

These designated funds amounted to approximately \$7,141,000 and \$5,033,000 at December 31, 2022 and 2021, respectively. The amounts are based on the allowable calculation methodology. The December 31, 2022 amount was calculated as follows:

Budgeted operating expenses for HGPA for the year ending December 31, 2023	\$ 80,321
Less budgeted depreciation and amortization expense	 (11,363)
Expenses subject to minimum liquid reserve requirement	68,958

5. Fair Value Measurements

FASB ASC Topic 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. FASB ASC Topic 820 also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or net asset value (NAV) per share (or its equivalent) with the ability to redeem the investments in the near term.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis and recognized in the accompanying consolidated financial statements, as well as the general classification of such instruments pursuant to the valuation hierarchy:

- Mutual funds Mutual funds registered with the U.S. Securities and Exchange Commission as mutual funds under the Investment Company Act of 1940 are valued based on quoted market prices, which represent the NAV of shares, and are categorized as Level 1.
- Investments and restricted investments in the accompanying consolidated balance sheet includes \$20,353,000 and \$25,613,000 of an alternative investment fund (the Fund) at December 31, 2022 and 2021, respectively. (HGPA investments and restricted investments in the Fund were \$12,941,000 and \$16,289,000 at December 31, 2022 and 2021, respectively). The Fund is measured using the NAV per share as a practical expedient. The following represents the objectives and redemption restrictions for the Fund:

Hirtle Callaghan Select Equity Fund, LP: The investment objective of the fund is to generate long-term growth in assets by investing primarily in equity and equity-related securities. To realize the objective, the fund may allocate capital to be managed by third-party investment managers, as well as make directly investments. The fund allocates capital to managers through separate accounts and by subscribing to open and/or closed-end funds sponsored by such managers. While the fund intends that its investments will have a predominately long-bias, the fund will not be limited with respect to the types of investment strategies or structures it may employ or the markets or securities in which it may invest, except as it relates to the use of leverage. A limited partner may withdrawal all or a portion of its capital account as of the last day of each calendar quarter, or at such other times as the General Partner may determine in its sole discretion, provided that the capital account has been in existence for at least 12 months as of the relevant withdrawal date. Withdrawals shall require no less than 90 days' prior written notice to the General Partner. The General Partner, in its sole discretion, may waive the notice requirement for any withdrawal. Withdrawals by investors with more than one capital account will be on a first-in-first out basis. There were no unfunded commitments related to this fund at December 31, 2022.

(a) In accordance with accounting principles generally accepted in the United States of America, certain investments that were measured at NAV per share have not been classified in the fair value hierarchy. The fair value is presented to reconcile to total investments, statutory minimum liquid reserve and restricted investments in the consolidated balance sheets.

The Corporation measures its beneficial interest in split-interest agreements and perpetual trusts at fair value based on the fund's underlying investments using unobservable inputs (Level 3) in accordance with accounting principles generally accepted in the United States of America. Changes in the beneficial interest in split-interest agreements and perpetual trusts in 2022 and 2021 were as follows:

Land, buildings and equipment, net	\$	275,918	\$	271,335

Depreciation expense was \$18,112,000 in 2022 and \$16,866,000 in 2021 (including \$12,899,000 in 2022 and \$11,898,000 in 2021 specific to HGPA).

HGPA's land, buildings and equipment (net of accumulated depreciation of \$134,577,000 and \$123,027,000 at December 31, 2022 and 2021, respectively) was \$177,701,000 and \$177,524,000 at December 31, 2022 and 2021, respectively. HGPA's land, buildings and equipment balances are categorized in a proportionately consistent manner with the property and equipment categories above.

Construction in progress as of December 31, 2022 consists of a memory expansion project at Rosemont, a residential living expansion project at Springmill, Janney Apartments development and various apartment remodels and other renovation projects. The Corporation has entered into construction contracts totaling approximately \$16,310,000 related to the projects (HGPA construction contracts totaled approximately \$2,734,000). Cost incurred to date through December 31, 2022 on the contracts were approximately \$1,371,000 (HGPA cost incurred to date through December 31, 2022 on the contracts were approximately \$1,250,000).

7. Construction Loans and Letter of Credit

The Corporation had available funds totaling \$61,567,000 in construction loan with a commercial bank to partially finance the development cost of the Rydal Waters Expansion Project. The construction of the Rydal Waters Expansion Project started in 2019 and was completed in 2022. The construction loan was paid down to \$20,567,000 in May 2022 and then transitioned to a long-term loan described in Note 8. The outstanding construction loan balance for Rydal Waters at December 31, 2021 was \$26,567,000.

The Corporation had previously entered into an irrevocable standby letter of credit with Citizens Bank in the amount of \$4,876,559 for the benefit of the Township of Abington related to the completion of Rydal Waters. During 2022 the letter of credit was reduced to \$1,716,400. There were no amounts drawn as of December 31, 2022 and 2021.

Notes to Consolidated Financial Statements December 31, 2022 and 2021 (In Thousands)

In addition, the Corporation entered in a \$10,000,000 construction loan with a commercial bank during 2021 to partially finance the Makemie Court low income rental housing for seniors project. The construction on the Makemie Court project started in 2021 and was completed in 2022. During 2022, the construction loan was paid off by equity partner contributions. The construction loan balance was 2,585,000 as of December 31, 2021.

(a) In October 2017, the Montgomery County Higher Education and Health Authority issued \$88,145,000 of Series 2017 Revenue Bonds (the 2017 Bonds) on behalf of HGPA. Proceeds from the 2017 Bonds were primarily used to refund the 2010 Bonds, the 2013 Bonds, finance various capital projects and fund a debt service reserve fund for the 2017 Bonds.

The 2017 Bonds bear interest payable semi-annually at rates ranging from 2% to 5%. Principal payments on the 2017 Bonds are due in varying annual installments through 2048.

The 2017 Bonds have been issued under a Master Trust Indenture dated October 1, 2017, as supplemented, which secures the obligations of HGPA and includes a security interest on substantially all of the Borrower's property and equipment. HGPA is subject to financial covenants under the terms of the Master Trust Indenture which includes debt service coverage ratio and minimum days cash-on-hand requirements.

(b) In May 2005, the Philadelphia Authority for Industrial Development issued \$12,075,000 of Series 2005A Senior Living Revenue Bonds (the 2005A Bonds) on behalf of Germantown and Morrisville (collectively, the Borrowers). The proceeds from the 2005A Bonds were primarily used to refinance existing HUD Section 202 Direct Loans, finance various capital projects and fund various reserve accounts for the 2005A Bonds.

The 2005A Bonds bear interest payable semi-annually at rates ranging from 5.125% to 5.625%. Principal payments on the 2005A Bonds are due in varying semi-annual installments through 2035.

The 2005A Bonds are secured by a pledge of the Borrower's revenues, as defined, and a first mortgage lien on, and security interest in, substantially all of the Borrower's property and equipment.

(c) In April 2008, the Philadelphia Authority for Industrial Development issued \$9,000,000 of Series 2008A Multifamily Housing Revenue Bonds (the 2008A Bonds) on behalf of RSA. The proceeds from the 2008A Bonds were primarily used to refinance an existing HUD Section 202 Direct Loan and finance various capital projects.

Notes to Consolidated Financial Statements December 31, 2022 and 2021 (In Thousands)

The 2008A Bonds bear interest payable quarterly at a rate of 5.85%. Principal payments on the 2008A Bonds are due in varying quarterly installments through 2048.

The 2008A Bonds are secured by a pledge of RSA's revenues, as defined, and a first mortgage lien on, and security interest in, substantially all of RSA's property and equipment.

Scheduled principal repayments required on long-term debt are as follows:

9. Retirement Plan

The Corporation also participates in a defined contribution retirement plan covering all eligible employees. The Corporation's contribution is a match of employee contributions up to 4% of eligible earnings in a calendar year. Expenses, net of forfeitures and adjustments, related to the plan were approximately \$835,000 in 2022 and \$624,000 in 2021.

10. Self-Insured Programs

Workers' Compensation Plan

The Corporation maintains a plan of self-insurance for workers' compensation claims in accordance with Pennsylvania Department of Labor and Industry regulations. The estimated liabilities were arrived at using information provided by an outside actuary and include a provision for incurred but not reported claims.

Unemployment Compensation Plan

The Corporation is self-insured for unemployment compensation benefits in accordance with Commonwealth of Pennsylvania regulations. The Corporation has elected to pay actual claims incurred in lieu of the Commonwealth's premium as permitted for nonprofit organizations. The Corporation believes all costs related to this self-insurance program have been properly accounted for and accrued at December 31, 2022 and 2021.

Health Insurance

The Corporation is self-insured for health insurance claims for eligible active employees with certain self-insured retention limits. The program is managed by COG and estimates of the liability for claims incurred but not reported are included in the combined balance sheets of COG and costs related thereto are allocated to the Corporation through intercompany transactions based on a percentage of payroll.

Notes to Consolidated Financial Statements December 31, 2022 and 2021 (In Thousands)

11. Professional Liability Insurance

HGPA maintains professional liability coverage on a claims-made basis as a member of CCrRRG. In addition to premiums paid under this policy, a legal reserve of \$114,000 and \$129,000 is included in accounts payable and accrued expenses in the accompanying consolidated balance sheet as of December 31, 2022 and 2021, respectively, to cover estimated self-insurance retentions. Management believes no incidents occurred or will be asserted that will exceed HGPA's insurance coverages or will have a material adverse effect on the consolidated financial statements.

12. Net Assets With Donor Restrictions

The purpose restricted assets are those whose use by the Corporation has been limited by donors to a specific purpose and are primarily available for resident support. Funds held by trustee are funds held by a bank in which Corporation has a proportion of the fair market value and from which dividends and interest are paid. Funds restricted in perpetuity have been restricted by donors to be maintained by the Corporation in perpetuity, the investment income from these funds is expendable to support the Corporation.

In April 2008, the Philadelphia Authority for Industrial Development issued \$15,000,000 of Series 2008 Bonds on behalf of RSA. Principal payments on the Series 2008A Bonds are due in quarterly installments ranging from \$10,000 to \$970,000 through April 2048 (Note 8). Principal on the Series 2008B Bonds (the 2008B Bonds) are payable from and to the extent of RSA's available surplus cash. HGPA is a guarantor on the Series 2008 Bonds. In addition to the guaranty agreement, the Bonds are secured by a mortgage agreement on certain property and equipment of RSA. As of December 31, 2022, the outstanding principal amount is \$8,025,000 on the Series 2008A Bonds and \$6,000,000 on the Series 2008B Bonds. The Series 2008B Bonds were executed in conjunction with a ground lease between RSA and PPA and there were no proceeds as a result of Series 2008B Bonds, therefore, there is no net liability for the AFH entities.

Contributions to HGPA from affiliates of \$1,546,000 and \$1,448,000 in 2022 and 2021, respectively, are primarily attributable to amounts received from Bala for resident, chaplain and philanthropy support.

16. Contingencies

Legal

The Corporation is party to various claims and legal actions in the normal course of business. In the opinion of management, based upon current facts and circumstances, the resolution of these matters is not expected to have a material adverse effect on the financial position of the Corporation.

Senior Living Services Industry

The senior living services industry is subject to numerous laws, regulations and administrative directives of federal, state and local governments and agencies. Compliance with these laws, regulations and administrative directives is subject to future government review and interpretation, as well as regulatory actions unknown or unasserted at this time. Government activity continues to increase with respect to investigations and allegations concerning possible violations by healthcare providers of fraud and abuse statutes and regulations, which could result in the imposition of significant fines and penalties as well as significant repayments for resident services previously billed. Management is not aware of any material incidents of noncompliance.

HUD Compliance Contingencies

The AFH entities are required to comply with certain HUD requirements in accordance with the respective contracts with HUD. Failure to maintain compliance with HUD could result in recapture of HUD rental subsidy.

Low Income Housing Tax Credit Contingencies

58th Street is the guarantor for certain contingent liabilities for operating deficits, tax credits and construction loans at WSH, Cantrell and Witherspoon. The maximum liability that could result is approximately \$6,100,000.

Notes to Consolidated Financial Statements December 31, 2022 and 2021 (In Thousands)

17. Concentrations

The Corporation grants credit without collateral to its residents, most of whom are local residents and some of whom are insured under third-party payor agreements, primarily with Medical Assistance, Medicare and various commercial insurance carriers.

The Corporation maintains cash accounts, which, at times, may exceed federally insured limits. The Corporation has not experienced any losses from maintaining cash accounts in excess of federally insured limits. Management believes that it is not subject to any significant credit risk.

The Corporation's Affordable Housing Communities' operations are concentrated in the multifamily real estate market. In addition, the Affordable Housing Communities operate in a heavily regulated environment. The operations of the Affordable Housing Communities are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies, including, but not limited to, HUD and PHFA. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD and PHFA. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

18. Subsequent Events

Subsequent events are events or transactions that occur after the consolidated balance sheet date but before consolidated financial statements are issued. The Corporation recognizes in the consolidated financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the consolidated balance sheet, including the estimates inherent in the process of preparing the consolidated financial statements. The Corporation's consolidated financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the consolidated balance sheet but arose after the consolidated balance sheet date and before consolidated financial statements are issued.

The Corporation has evaluated subsequent events through May 16, 2023, which is the date the consolidated financial statements (and HGPA basic financial statements) were issued.
