## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of  
HumanGood Affordable Housing and Affiliates  
(A California Non-Profit Public Benefit Corporation)

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of HumanGood Affordable Housing and Affiliates, which comprise the consolidated statement of financial position as of December 31, 2021, and the related consolidated statements of activities, changes in net assets (deficit), and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of HumanGood Affordable Housing and Affiliates as of December 31, 2021, and the changes in its consolidated net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HumanGood Affordable Housing and Affiliates and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HumanGood Affordable Housing and Affiliates' ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HumanGood Affordable Housing and Affiliates' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HumanGood Affordable Housing and Affiliates' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

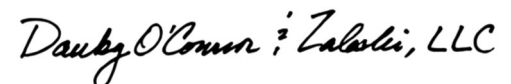

### **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying consolidating statement of financial position and activities is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated June 3, 2022, on our consideration of HumanGood Affordable Housing and Affiliates' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of HumanGood Affordable Housing and Affiliates' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering HumanGood Affordable Housing and Affiliates' internal control over financial reporting and compliance.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
YEAR ENDED DECEMBER 31, 2021**

**NOTE 1-ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**PARENT ORGANIZATION**

HumanGood ("Parent Organization"), is a California nonprofit public benefit tax-exempt corporation providing housing, health care and supportive services for the elderly through its Life Plan Communities (LPC's) and affordable housing communities owned by its subsidiaries. HumanGood is the sole member of HumanGood NorCal ("NorCal"), HumanGood SoCal ("SoCal"), HumanGood Fresno (dba Terraces at San Joaquin Gardens, "TSJG"), and HumanGood Cornerstone ("Cornerstone"). NorCal is the sole member of HumanGood Foundation West ("Foundation West") and SoCal is the sole member of HumanGood Foundation South ("Foundation South"). NorCal, SoCal, and TSJG, which collectively form the HumanGood California Obligated Group, share the common parent entity of HumanGood, and together with Foundation West and Foundation South, constitute the HumanGood California Obligated Group & Foundation Affiliates.

HumanGood Cornerstone, an affiliate of the Parent Organization, is a California nonprofit public benefit tax-exempt corporation and, as the sole member, exercises its direction and control through the appointment of the Board of Directors of HumanGood Arizona (dba Terraces of Phoenix, TOP), HumanGood Washington (dba Judson Park, JP), HumanGood Nevada (dba Las Ventanas), HumanGood Idaho (dba The Terraces of Boise, Boise), HumanGood Properties (formerly known as Seniority Properties), HumanGood East, and Beacon Development Group, LLC ("Beacon Development" or "Beacon"), and in conjunction with an affiliation effective in February 2022, West Valley Nursing Homes, Inc. (dba Living Care Retirement Community). HumanGood Arizona, Inc and HumanGood Washington together constitute an obligated group (HumanGood National Obligated Group). HumanGood Affordable Housing (the "Corporation"). HumanGood and HumanGood Cornerstone's Boards are composed of the same seven directors.

**ORGANIZATION**

The Corporation is a California non-profit public benefit tax-exempt corporation formed in December 1988. The Corporation was known as Carmel Senior Housing, Inc. ("Carmel") prior to January 29, 2015. The Corporation provides quality housing and services for older adults and people with limited resources or disabilities in the states of California, Oregon, and Washington.

On January 1, 2015, NorCal purchased all outstanding membership interests in Beacon Development Group, LLC ("Beacon Development" or "Beacon") and assigned its rights to the Corporation. NorCal then entered into an inter-affiliate note with Beacon Development to assign the cost of purchase to the acquired entity. Effective January 1, 2019, the Parent Organization assigned the member interest in Beacon Development to HumanGood Cornerstone, removing it as a consolidating subsidiary of the Corporation. In March 2021, HumanGood Cornerstone approved a resolution to transfer Beacon Development back to the Corporation as its sole member.

Also on January 1, 2015, the Corporation entered into a master transfer agreement with NorCal where NorCal affordable housing employees became employees of the Corporation and all operational activities, assets and liabilities associated with NorCal's affordable housing line of business were also transferred to the Corporation. The master transfer agreement details the form of two non-interest bearing inter-affiliate notes. See Note 9.

**ORGANIZATION (CONTINUED)**

In late fiscal year 2015, following United States Department of Housing and Urban Development ("HUD") approval, NorCal transferred its sole memberships in all of NorCal's owned affordable housing communities as well as the management agreements for all of its owned and managed communities to the Corporation.

SoCal is a California nonprofit public benefit tax-exempt corporation which owns, operates and manages LPC's and rental housing communities, primarily in Southern California, in which housing, health care, and supportive services are provided for the elderly. SoCal served as the majority general partner and controlling organization for 8 low-income senior housing tax credit communities and as the sole corporate member of 19 wholly owned subsidiaries.

SoCal had provided non-interest-bearing advances to partially finance the construction of their low-income senior housing tax credit communities. Pursuant to a master transfer agreement dated December 31, 2018 between the Corporation and SoCal, these advances along with other assets and liabilities related to SoCal's affordable housing business line were all transferred from SoCal to the Corporation in 2018. Effective January 1, 2019, SoCal's community ownership interests and management contracts were also transferred to the Corporation.

The consolidated financial statements include the transactions and accounts of HumanGood Affordable Housing, 28 wholly owned affiliates, and 26 low-income housing tax credit partnerships in which the Corporation has the only or majority general partner interest:

Beacon Development is a professional services firm that consults in the development and construction of affordable housing communities. Beacon Development provides services to the Corporation, other non-profits, and housing authorities.

The other wholly owned affiliates are separately incorporated affordable housing entities in California and Washington. The affordable housing entities received HUD direct loans or grants to fund construction and receive HUD rental assistance to subsidize the residents' rents, and therefore, their operations are regulated by HUD.

The Corporation owns the only or majority general partner interests in the low-income housing tax credit partnerships noted above. Generally, the low-income housing tax credit is provided pursuant to Section 42 of the Internal Revenue Code and is computed as a percentage of the qualified basis of the property and is allowed annually during a period of ten years commencing with the year the buildings are placed in service. Capital contributed to the partnership from limited partners (as a result of the low-income housing tax credit) allows for the property to be developed and funded with lower debt service, which in turn, allows the owner to provide housing to low-income residents at below market rents. Each low-income housing tax credit partnership has executed regulatory agreements with state and/or local agencies which govern the operation of the properties.

Collectively, the wholly owned affordable housing entities and the low-income housing tax credit partnerships are referred to as "Properties". The Corporation currently provides affordable housing management services to 11 properties owned or sponsored by unaffiliated organizations in addition to the affordable housing management services provided to the Properties.

In addition to the above, the Corporation also provides oversight to the HumanGood East affordable housing portfolio. HumanGood East is the sponsor and sole corporate member of 11 wholly owned affordable housing communities, a joint venture sponsor and the majority corporate member in one affordable housing community, and has five affiliate general partners and one affiliate limited partner with controlling interest in 5 low-income senior housing tax credit communities. HumanGood East is also the sole corporate member of HumanGood Pennsylvania. HumanGood Pennsylvania is the management agent for the 17 HumanGood East affordable housing communities as well as the 21 affordable housing communities owned or sponsored by unaffiliated organizations.

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of preparation of the consolidated financial statements**

The consolidated financial statements are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America, and are in conformity with the provisions required by the Not-for-Profit Entities Presentation of Financial Statements topic of the Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 958-205. This topic established standards for external financial reporting for Not-for-Profit Organizations.

**Basis of preparation of the consolidated financial statements (continued)**

The Not-for-Profit Entities Presentation of Financial Statements topic primarily affects the display of the consolidated financial statements and requires that the amounts for each of the classes of net assets - with or without donor restrictions - be displayed in the Consolidated Statement of Financial Position and the amounts of the change in each of those classes of net assets be displayed in the Consolidated Statement of Changes in Net Assets (Deficit). Net assets with donor restrictions primarily consists of grants awarded to the Properties. The grants are being released to net assets without donor restrictions on a straight-line basis over the compliance period of the applicable grant.

FASB issued ASC Topic 958-810, Consolidation of Not-for-Profit Entities, which requires that a recognized non-controlling interest in another entity, whether a business or a not-for-profit entity, be measured at its fair value at the acquisition date. In addition, this statement also provides guidance on the presentation of non-controlling interest in a not-for-profit entity's financial statements. Non-controlling interest in net assets of consolidated subsidiaries are reported as a separate component of the appropriate class of net assets in the Consolidated Statement of Activities and Changes in Net Assets (Deficit).

**New accounting pronouncements**

The Corporation is subject to the provisions of the Not-for-Profit Entities: Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made topic of the FASB *Accounting Standards Update (ASU) 2018-08*. The new standard amended the existing accounting standards for nonreciprocal transactions (contributions). The new standard (i) provides guidance for whether transactions should be accounted for as contribution or as an exchange transaction subject to other guidance and (ii) determining whether a contribution is conditional. The Corporation adopted the FASB ASU 2018-08 on January 1, 2020, and there was no cumulative effect recognized.

In February 2016, the FASB issued ASU 2016-02, Leases, which once implemented will result in lessees recognizing most leased assets and corresponding lease liabilities on the Statement of Financial Position. The standard is effective for year-ends beginning after December 15, 2021 and early adoption is permitted. The lease standard is not expected to have a material impact on the financial statements.

**Consolidation**

In accordance with FASB ASC 810, the consolidated financial statements include the accounts of the Corporation and its wholly owned operating entities, after elimination of all material intercompany accounts, transactions, and profits.

The financial statements also consolidate the assets, liabilities, and activities of the various low-income housing tax credit limited partnerships for which the Corporation, as a general partner, is the primary beneficiary. All material intercompany accounts and transactions have been eliminated in consolidation.

**Consolidation (continued)**

In accordance with FASB ASC 805, any net asset or equity interest transfers to or from the Corporation have been reported in the accompanying consolidated financial statements as if the transfer occurred at the beginning of the reporting period, or January 1, 2021, since all entities are deemed to be under common control of the Parent Company.

**Cash**

For the Statement of Cash Flows, all unrestricted investments with original maturities of three months or less are cash equivalents. At December 31, 2021, cash consists of unrestricted checking and savings accounts held at numerous banks.

**Accounts receivable and bad debt policy**

Accounts receivable consists of amounts due to the Properties from resident rents and amounts due to the Corporation from unaffiliated affordable housing properties for property management fees and reimbursable management services such as payroll. Rental income and property management fee income are typically due the first of the month. The Corporation and the Properties do not accrue interest on accounts receivable balances.

Accounts receivable are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of the accounts by management. Accounting principles generally accepted in the United States of America require that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not material to the financial statements for the year ended December 31, 2021. Bad debts expense totaled \$191,408 the year ended December 31, 2021.

**Other receivables and bad debt policy**

Other receivables are amounts due to the Corporation from the Properties or Beacon Development and are stated at unpaid balances less any applicable allowance for doubtful accounts. Other receivables due from the Properties consist of revenues from management fees, reimbursable management services such as payroll, development advances, and operating advances. Other receivables due from Beacon Development consist of reimbursable management services such as payroll. The Corporation does not accrue interest on the intercompany receivable balances.

Management periodically reviews intercompany receivables and uses an allowance for doubtful accounts to recognize bad debts. There was no bad debts expense for the year ended December 31, 2021. The allowance for doubtful accounts totaled \$92,869 as of December 31, 2021.

**Development fee revenue recognition, contract assets, receivables and liabilities**

Beacon performs various development services in connection with the design, construction and development of affordable housing complexes. Development fee revenue is earned upon the satisfaction of the following performance obligations:

- Management's approval to proceed with development of the underlying property, admission of the investor limited partner and closing of the financing; and
- Completion of the development.

Beacon determined the first performance obligation is satisfied at a point in time because at that time the customer controls the asset and accepts the services provided. Beacon determined the second performance obligation is satisfied over time because the services create or enhance an asset that the customer controls.

Beacon is required under the provisions of ASC 606 Revenue from Contracts with Customers to estimate a standalone price when it is not directly observable. Beacon utilizes the expected cost plus a margin approach. In determining the allocation of the contract price to each performance obligation, management estimates the total employee hours it expects to incur on each performance obligation and allocates the transaction price based on the estimated hours spent to satisfy each performance obligation. The estimate of hours incurred is a significant judgment and actual hours incurred may differ from the estimate. Performance obligations which are completed, but are not contractually due at the time of completion are recognized as contract assets until they are contractually due, at which time they are recognized as contract receivables. Cash received for contracts with customers in advance for which performance obligations have not been satisfied are recognized as contract liabilities until the underlying performance obligation is satisfied.

Beacon typically is paid for services provided under the contracts at percentages agreed to with the customer. The terms often consider payment of a portion of the fee upon completion of the first performance obligation, and payment of a majority of the fee upon completion of the other performance obligations. Payments may be received sooner than completion dependent on development sources available. However, the state housing agency overseeing the low-income housing tax credit often requires a portion of Beacon's fee to be deferred and paid from the customer's cash flow. It is also possible the development is not completed within budget and a larger portion of Beacon's fee is deferred and payable from the customer's cash flow. In instances where the deferred portion is not subject to an interest rate comparable to market interest rates, Beacon's contract would contain a financing component. The financing component would be determined based on the projected payments from the customer's cash flow, which is variable and contingent on the customer's realization of cash flow.

**Notes receivable**

The Corporation has reflected the receivables and payables in place with the majority of the low-income housing tax credit partnerships in notes receivable, net and notes and bonds payable, respectively, on the Statement of Financial Position, however, these amounts are eliminated in consolidation. See Notes 4 and 10.

**Property and equipment**

The Properties' land, buildings and improvements, and equipment and furnishings are recorded at cost. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives which are estimated to be between 3 and 40 years using the straight-line method. Improvements are capitalized, while expenditures for maintenance and repairs are charged to expense as incurred.

The Properties are subject to the provisions of the Impairment or Disposal of Long-Lived Assets topic of the FASB ASC 360-10. Impairment or Disposal of Long-Lived Assets has no retroactive impact on the Corporation's financial statements. The standard requires impairment losses to be recorded on long-lived assets when indicators of impairment are present and the undiscounted cash flows estimated to be generated by those assets (excluding interest) are less than the carrying amount of the assets. In such cases, the carrying value of assets to be held and used are adjusted to their estimated fair value and assets held for sale are adjusted to their estimated fair value less selling expenses. No impairment loss was recognized during the year ended December 31, 2021.

The Corporation is also subject to the provisions of FASB ASC 360-20-40 which addresses accounting for sales with gains with entities under common control. Accordingly, the Corporation eliminates the value of the Properties' land, buildings and equipment and the corresponding gain recognized in prior years. See Note 5.

**Unamortized costs**

Certain Properties incurred tax credit monitoring fees, which are being amortized over the 15 year compliance period using the straight-line method.

**Goodwill**

Under ASC 350 Intangibles - Goodwill and Other, an intangible asset with an indefinite useful life shall not be amortized. The intangible asset is evaluated for impairment annually and on an interim basis as events and circumstances warrant by comparing the fair value of the intangible asset with its carrying amount. No impairment loss was recognized during the year ended December 31, 2021.

**Investments in Properties, equity method**

The Corporation does not consolidate the accounts and activities of Tower Park LP because the Corporation does not consider its variable interest to be the primary beneficiary under ASC 810-10 Consolidation. The Corporation accounts for the investment in accordance with the equity method of accounting, under which the investment is carried at cost and is adjusted for the Corporation's share of net income or loss and by cash distributions received. The Corporation's equity investment balance represents the maximum exposure to loss in connection with such investments.

**Debt issuance costs**

The Corporation is subject to the provisions of the Interest-Imputation of Interest topic of the FASB ASC 835-30 which requires unamortized debt issuance costs to be presented as a reduction of the outstanding debt and the amortization of the debt issuance costs to be presented as a component of interest expense. Generally accepted accounting principles require that the effective yield method be used to amortize debt issuance costs; however, the effect of using the straight-line method is not material to the financial statements for the year ended December 31, 2021.

**Contributions**

Syndication costs incurred in connection with generating contributions of the non-controlling interests are reported net of syndication costs for financial reporting purposes.

**Equity transfers**

Under ASU 2016-14, equity transfers are required to be reported separately in the Statement of Activities as changes in net assets. Equity transfers are included in contribution income on the Statement of Activities.

**Affordable housing fees and rents**

The Properties' affordable housing rents are recognized as rents become due. Rental payments received in advance are deferred until earned. All leases between the Properties and the residents are operating leases under ASC 840 and are not within the scope of ASU 2014-09.

The Corporation's management fee income is earned based on the terms as outlined in the management agreements with the Properties and the unaffiliated affordable housing properties. Management fees are typically received monthly and based on previous month's collections. Management fees earned by the Corporation in management of consolidated Properties are eliminated in consolidation.

**Affordable housing development**

Beacon Development earns developer fees primarily for facilitating the financing and construction of affordable housing. Fees are recognized based on completion of various phases of the development, as specified in the respective agreements. Certain fees are deferred and payable from the Properties' available operating cash flow.

**Grant income**

The Corporation recognizes revenues from grants and contributions of cash and other assets upon satisfaction of the grantor or donor stipulations, which entitles the Corporation to the assets promised. These assets are recognized as either with or without restriction. Net assets - without donor restriction do not contain grantor or donor stipulations that limit their use. They are available currently for use based on the discretion of the Corporation's management. Grants and contributions that contain grantor or donor stipulations that limit their use are considered net assets - with donor restriction because they are available only for the use stipulated by the grantor or donor. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets - with donor restrictions are reclassified to net assets - without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

**Functional allocation of expenses**

The costs of providing the various programs and other activities have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited based upon direct expenditures incurred or based upon time spent in the activities. See Note 13.

**Advertising costs**

Advertising costs incurred by the Properties are expensed as incurred and are included in marketing and advertising expenses in the Statement of Activities.

**Property taxes**

The Properties are exempt from some, but not all real property taxes. For those Properties that are required to pay property taxes, property taxes are expensed in the year of the lien on the property such that twelve months of expense are charged to operations each year.

**Derivatives**

One of the Properties, Pacific Meadows Senior Housing L.P. entered into an interest rate swap agreement as a free standing derivative as allowed under the applicable accounting standard to appropriately reflect the prospective intentions of holding the interest rate swap. The fair value of the interest rate swap is reported on the Statement of Financial Position. Changes in fair value are included in change in fair market value of interest rate swap in the Statement of Activities. The valuation technique is classified as Level 2 (see below) under the fair value measurements fair value hierarchy.

**Accounting for uncertainty in income taxes**

The Corporation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and state income tax and has been classified as an other than private foundation. Accordingly, no provision for federal and state taxes on revenue and income has been recognized in the accompanying financial statements.

Even though the Corporation is recognized as tax exempt, it still may be liable for tax on its unrelated business income ("UBI"). The Corporation evaluates uncertain tax positions through its review of the sources of income to identify UBI and certain other matters, including those which may affect its tax exempt status. The effect of the uncertainty would be recorded if the outcome was considered probable and reasonably estimable. As of December 31, 2021, the Corporation had no uncertain tax positions requiring accrual.

Generally, the Federal and State tax filings were subject to examinations from the three years after the later of the original or extended due date or the date filed with the applicable tax authority.

**Concentration of credit risk**

The Corporation maintains various cash balances with various regional and national financial institutions. The balances in the accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. As of December 31, 2021, the cash balances held at some of these financial institutions exceeded the FDIC insurance limit. The Corporation has not experienced any losses in such accounts. Management believes that the Corporation is not exposed to any significant credit risk on cash and cash equivalents.

The Corporation's operations are concentrated in the multifamily real estate market. In addition, the Corporation operates in a heavily regulated environment. The operations of the Corporation, specifically, the Properties, are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies. Such administrative directives, rules and regulations are subject to change. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, if any, to comply with a change.

**Use of estimates in the preparation of consolidated financial statements**

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Fair value**

The Corporation is subject to the provisions of the Fair Value Measurement topic of the FASB ASC 820-10 which provides guidance for assets and liabilities which are required to be measured at fair value and requires expanded disclosure for fair value measurement. The standard applies whenever other standards require or permit assets or liabilities to be measured at fair value and does not require any new fair value measurements. The standard establishes a fair value hierarchy based on three levels:

- Level 1 - Quoted prices in active markets for identical assets or liabilities
- Level 2 - Quoted prices for similar assets or liabilities in active markets
- Level 3 - Unobservable inputs for the asset or liability based on the best available information

For instances in which the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the fair value measurement will fall within the lowest level input that is significant to the fair value measurement in its entirety. See Note 6.

**Subsequent events**

Management performed an evaluation of the Corporation's activity through June 3, 2022, the audit report date, and has concluded that there are no significant subsequent events requiring disclosure through the date these consolidated financial statements were available to be issued.

**NOTE 2-RESTRICTED CASH**

The Properties have various cash balances which are segregated and restricted and consist of resident security deposits, tax and insurance escrow deposits, replacement reserves, and operating reserves which are required to be maintained by various operating, regulatory, or lending agreements.

The gains were generated by asset sales between entities under common control associated with the syndication of low-income housing tax credits.

As of December 31, 2021, construction contracts and commitments of approximately \$145,701,000 exist with various counterparties for the development or redevelopment of Castle Argyle, Filipino Community Village, FD Haynes Apartments, Northaven Three, and Ethiopian Village of which approximately \$24,960,000 remains unspent as of December 31, 2021.

At December 31, 2021, accounts payable - construction totaled \$27,777,358.

**NOTE 6-FAIR VALUE**

FASB ASC Topic 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. FASB ASC Topic 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

- Level 1 Quoted prices in active markets for identical assets or liabilities.
- Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or net asset value per share (or its equivalent) with the ability to redeem the investments in the near term.
- Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis and recognized in the accompanying consolidated financial statements, as well as the general classification of such instruments pursuant to the valuation hierarchy:

Investments - Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include cash and cash equivalents held for investment, commercial paper, mutual funds, and equity securities. Level 2 securities include corporate debt securities and U.S. government securities. If quoted market prices are not available, then fair values are estimated by using pricing models, quoted prices of securities with identical characteristics, discounted cash flows, or net asset value as described below. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Interest Rate Swap Agreements - The fair value is estimated by a third party using inputs that are observable or that can be corroborated by observable market data and, therefore, are classified within Level 2 of the valuation hierarchy.

Pacific Meadows Senior Housing, L.P. recognized goodwill totaling \$4,355,202 in connection with the acquisition of the property and equipment in 2010.

Through December 31, 2021, the Corporation has not identified any impairment losses in the carrying value of goodwill. As of December 31, 2021, the goodwill value totaled \$6,464,364.

**NOTE 9-CORPORATION NOTES PAYABLE AND OTHER OBLIGATIONS**

**NorCal - Master Transfer Agreement**

The Corporation entered into a master transfer agreement dated January 1, 2015 with NorCal in exchange for the transfer of affordable housing related assets and liabilities.

The master transfer agreement details the form of two non-interest bearing interaffiliate notes:

The first note payable to NorCal totaled \$2,242,486 and calls for quarterly payments of \$28,000 until September 30, 2034 and a final quarterly payment of \$30,486 upon maturity on December 31, 2034.

The second note payable to NorCal totaled \$1,364,447 and calls for payments annually contingent upon the Corporation's ability to achieve certain levels of cash flow and operating margin. The second note payable to NorCal does not have a stated maturity date. This note was repaid in full during the year ended December 31, 2021.

Outstanding principal at December 31, 2021 totaled \$1,542,486 for the first note payable and \$-0- for the second note payable.

**NorCal - Beacon Development**

Beacon Development entered into a promissory note payable to NorCal in an original amount of \$2,350,000 and a term of 12 years maturing on January 1, 2027. The note bears interest at 4.5% per annum and requires annual principal payments of \$200,000 plus accrued interest with unpaid principal due on the maturity date. Interest expense for the year ended December 31, 2021 totaled \$45,000. Outstanding principal at December 31, 2021 totaled \$1,000,000. Outstanding accrued interest at December 31, 2021 totaled \$61,313.

**Housing Authority of the County of Monterey**

The Corporation entered into a development fee sharing agreement with the Housing Authority of the County of Monterey ("HACM") in connection with the development of Pacific Meadows Senior Housing, L.P. The Corporation is required to pay HACM 50% of each deferred fee payment received from Pacific Meadows Senior Housing, L.P. for further consideration of HACM's lease of the property to Pacific Meadows Senior Housing, L.P. Deferred development fees due to the Corporation from Pacific Meadows Senior Housing, L.P. at December 31, 2021 totaled \$1,661,810, however, only \$935,002 is covered by the development fee sharing agreement. Deferred development fees payable to HACM from the Corporation at December 31, 2021 totaled \$467,501 which is included in notes and bonds payable-non servicing debt on the Statement of Financial Position.

Scheduled maturities of corporation notes payable and other obligations are approximately as follows:

**NOTE 10-PROPERTIES' MORTGAGES AND LONG TERM DEBT**

The following mortgage loans and notes payable are collateralized by various trust deeds covering the Properties' land, buildings, and improvements. The Corporation has elected to present servicing debt and non-servicing debt separately in the following tables. Servicing debt requires recurring monthly payments from operations or payments from other permanent sources (i.e. construction financing). Non-servicing debt requires payments either from the Properties' excess cash flow or has no near term payment obligations.

**NOTE 12-RELATED PARTIES**

The Corporation provides affordable housing management and development services in connection with the operation of the Properties. Fees earned under management and development contracts are typically regulated by HUD or state agencies.

The employees of Beacon Development and the Properties are employees of the Corporation. All payroll and related expenses are recorded and paid by the Corporation, and Beacon Development and the Properties reimburse the Corporation for these expenses throughout the year as they are incurred.

The Properties' insurance coverage is provided for under consolidated policies issued through conventional insurance providers and maintained by NorCal. The Properties reimburse the Corporation, who then reimburses NorCal for these expenses as premiums are incurred.

All material intercompany accounts and transactions have been eliminated in consolidation.

Additionally, as part of the master transfer agreement described in Note 1, it was agreed that the Corporation would reimburse NorCal for its portion of corporate office rent and, on a contingent basis, would reimburse NorCal for certain costs incurred in support of the Corporation's operations dependent upon the Corporation's ability to achieve certain levels of cash flow and operating margin. As part of the SoCal master transfer agreement described in Note 1, the corporate office rent and the contingent operating cost reimbursement provisions of the NorCal master transfer agreement were superseded, and additional costs were permanently assigned to the Corporation. Amounts due to NorCal for reimbursements and other advances at December 31, 2021 totaled \$3,877,128. Amounts due to SoCal for reimbursements and other advances at December 31, 2021 totaled \$862,948.

**NOTE 13-FUNCTIONAL EXPENSES**

Management of the Corporation presents operating expenses in its accompanying Statement of Activities by natural class categories. Operating expenses classified by functional categories for the year ended December 31, 2021 are as follows:

**NOTE 15-CDFI GRANT INCOME (CONTINUED)**

The Corporation recognizes revenue under the grant as net assets - with donor restrictions once the loans are committed, and reclassifies the revenue to net assets - without donor restrictions once the loans are funded. As of December 31, 2021, deferred revenue totaled \$1,237,500, net assets - with donor restrictions totaled \$2,900,000, and net assets - without donor restrictions totaled \$1,112,500.

**NOTE 16-COMMITMENTS AND CONTINGENCIES**

**Guarantees**

The Corporation, SoCal, and NorCal have issued guarantees to cover operating deficits and to ensure compliance with certain on-going aspects of the amended and restated limited partnership agreements of the low-income housing tax credit partnerships. Management periodically evaluates the potential exposure from these on-going guarantees. The Corporation has not provided support under these guarantees in the past and based on the current evaluation, management believes they cumulatively do not constitute a material future financial risk exposure for the Corporation.

The Corporation, SoCal, and/or NorCal, as guarantors, have also issued unconditional project completion guarantees for tax-credit financed affordable housing partnerships in which the Corporation serves as a general partner. On November 25, 2019, the Corporation provided a guaranty for the completion of the redevelopment of Filipino Community Village, with the guaranty anticipated to expire in 2022. On July 1, 2020, the Corporation provided a guaranty for the completion of the redevelopment of FD Haynes Apartments, with the guaranty anticipated to expire in 2022. On August 13, 2020, the Corporation provided a guaranty for the completion of the redevelopment of Castle Argyle, with the guaranty anticipated to expire in 2022. On November 3, 2020, the Corporation provided a guaranty for the completion of the development of Northaven Three, with the guaranty anticipated to expire in 2022. On August 31, 2021, the Corporation provided a guaranty for the completion of the development of Ethiopian Village, with the guaranty anticipated to expire in 2023.

**Low-income housing tax credits**

Certain Properties have received allocations of low-income housing tax credits. The tax credits are contingent on the applicable Properties' ability to maintain compliance with applicable sections of Section 42. Failure to maintain compliance with occupant eligibility, and/or unit gross rent, or to correct non-compliance within a specified time period could result in recapture of previously taken tax credits. In addition, such potential noncompliance may require adjustments as disclosed in the Properties' partnership agreements.

**Use or regulatory agreements**

Substantially all of the Properties have executed a use or regulatory agreement in connection with the financing. The agreements require the Properties to maintain certain affordability and rental restrictions.

**Economic conditions**

In December 2019, a novel strain of coronavirus ("COVID-19") surfaced. The spread of COVID-19 around the world has caused significant volatility in U.S. and international markets. There is significant uncertainty around the breadth and duration of business disruptions related to COVID-19, as well as its impact on the U.S. and international economies, and, as such, the Corporation is unable to determine if it will have a material impact to its operations.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of  
HumanGood Affordable Housing and Affiliates  
(A California Non-Profit Public Benefit Corporation)

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of HumanGood Affordable Housing and Affiliates, which comprise the consolidated statement of financial position as of December 31, 2021, and the related consolidated statements of activities, changes in net assets (deficit), and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated June 3, 2022.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered HumanGood Affordable Housing and Affiliates' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of HumanGood Affordable Housing and Affiliates' internal control. Accordingly, we do not express an opinion on the effectiveness of HumanGood Affordable Housing and Affiliates' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of HumanGood Affordable Housing and Affiliates' financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

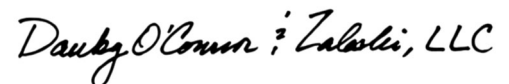

### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether HumanGood Affordable Housing and Affiliates' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of HumanGood Affordable Housing and Affiliates' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering HumanGood Affordable Housing and Affiliates' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## **INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of  
HumanGood Affordable Housing and Affiliates  
(A California Non-Profit Public Benefit Corporation)

### **Report on Compliance for Each Major Federal Program**

#### **Opinion on Each Major Federal Program**

We have audited HumanGood Affordable Housing and Affiliates' compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of HumanGood Affordable Housing and Affiliates' major federal programs for the year ended December 31, 2021. HumanGood Affordable Housing and Affiliates' major federal programs are identified in the summary of auditor's results section of the accompanying summary of auditor's results.

In our opinion, HumanGood Affordable Housing and Affiliates complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2021.

#### **Basis for Opinion on Each Major Federal Program**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"), and the Guide. Our responsibilities under those standards, the Uniform Guidance, and the Guide are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of HumanGood Affordable Housing and Affiliates and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major HUD program. Our audit does not provide a legal determination of HumanGood Affordable Housing and Affiliates' compliance with the compliance requirements referred to above.

#### **Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to HumanGood Affordable Housing and Affiliates' federal programs.

## **Auditor's Responsibilities for the Audit of Compliance**

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on HumanGood Affordable Housing and Affiliates' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and the Guide will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above are considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about HumanGood Affordable Housing and Affiliates' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and the Guide, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding HumanGood Affordable Housing and Affiliates' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of HumanGood Affordable Housing and Affiliates' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances, and to test and report on internal control over compliance in accordance with the Uniform Guidance and the Guide, but not for the purpose of expressing an opinion on the effectiveness of HumanGood Affordable Housing and Affiliates' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

## **Report on Internal Control over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

### **Report on Internal Control over Compliance (continued)**

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purposes of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

### **Purpose of this Report**

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
