Independent Auditors' Report

To the Board of Directors of
HumanGood Pennsylvania

Opinion

We have audited the financial statements of HumanGood Pennsylvania (a member of HumanGood East) (the Corporation), which comprise the balance sheets as of December 31, 2025 and 2024, and the related statements of operations and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as of December 31, 2025 and 2024, and the results of their operations, changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Corporation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The combining information, as identified in the table of contents, is presented for purposes of additional analysis of the financial statements, and it is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The combining information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the combining information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Notes to Financial Statements
December 31, 2025 and 2024

1. Business and Organization

HumanGood Pennsylvania (the Corporation), includes The Mansion at Rosemont (Rosemont), Rydal Park, and Spring Mill Pointe (Spring Mill), and is a member of HumanGood East (HGE). HGE is a member of HumanGood Cornerstone. HGE is a not-for-profit corporation engaged in establishing, maintaining, supporting and operating communities for the care of seniors and is the parent of the following entities:

- The Corporation
- The Presbyterian Home at 58th Street (58th Street)
- Bala Presbyterian Home Foundation (Bala)
- Makemie at Whiteland (Makemie)
- Philadelphia Presbytery Homes WC Trust, Inc. (PPH)
- 19 Affordable Housing Communities

Parent Organization

HumanGood Cornerstone (a Member of HumanGood), a California nonprofit public benefit tax-exempt corporation, is the sole member and exercises its direction and control through the appointment of the Boards of Directors of the Corporation, HumanGood Idaho (dba Terraces of Boise), HumanGood Nevada (dba Las Ventanas), HGE, HumanGood Affordable Housing, West Valley Nursing Homes, Inc. (dba Terraces at Summitview), including its subsidiary, HG Hillside LLC, Springhouse, Inc., Mount Pleasant Home, HG Perennial LLC and effective December 31, 2025, HumanGood Foundation.

HumanGood is a California nonprofit public benefit tax-exempt corporation providing housing, health care and supportive services for seniors through its LPCs and affordable housing communities. HumanGood is the sole member of HumanGood Cornerstone, HumanGood Fresno (dba Terraces at San Joaquin Gardens), HumanGood SoCal (SoCal) and HumanGood NorCal (NorCal). HumanGood Fresno, SoCal and NorCal together constitute an obligated group (HumanGood California Obligated Group or COG). Through December 30, 2025, NorCal was the sole member of HumanGood Foundation West and SoCal was the sole member of HumanGood Foundation South. Effective December 31, 2025, Foundation South merged into Foundation West. Concurrent with this merger, Foundation West changed its name to HumanGood Foundation (the Foundation), and its corporate membership was transferred from NorCal to HumanGood Cornerstone. The Foundation's primary purpose is to develop, invest and administer funds to provide housing and care on behalf of the residents of HumanGood and its affiliates.

HumanGood and HumanGood Cornerstone's Boards are composed of the same directors.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Corporation were prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) on the accrual basis of accounting.

HumanGood Pennsylvania (a Member of HumanGood East)

Notes to Financial Statements
December 31, 2025 and 2024

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported periods. Significant items subject to such estimates and assumptions include the fair values of allowances for credit losses; fair values of notes receivable; fair values of investments; future service benefit obligations; rebatable entrance fees due; entrance fees subject to refund; entrance fees nonrefundable; liabilities for self-insured workers' compensation; self-insured health insurance; liabilities for retirement plans; and valuation of split-interest agreements. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents are defined as cash on hand, demand deposits with financial institutions and overnight investments considered to be cash equivalents. For the purposes of the statements of cash flows, cash, cash equivalents and restricted cash and cash equivalents include investments purchased with an initial maturity of three months or less.

Restricted Cash and Cash Equivalents

Restricted cash and cash equivalents include cash and cash equivalents held under bond indenture agreements, and first-generation entrance fees.

Resident Accounts Receivable and Other Receivables

Accounts receivable are reported net of an allowance for credit losses, which represents the Corporation's estimate of expected losses at the balance sheet date. Accounts are written off when they are determined to be uncollectible. The adequacy of the Corporation's allowance for credit losses is reviewed on an ongoing basis, using historical payment trends, write-off experience, analyses of receivable portfolios by payor source and aging of receivables, a review of specific accounts, and expected future economic conditions and market trends. Adjustments are made to the allowance, as necessary.

Entrance fee receivables, included in other receivables, net, are evaluated for collectability prior to residents being admitted to the community based on the resident's credit worthiness. The terms and conditions of each entrance fee receivable are determined when a resident agreement is executed. All amounts are contractually due within 90 days.

Other items in other receivables include management and bookkeeping fees owed by managed (unowned) affordable housing communities and miscellaneous insurance claim receivables.

Investments

Investments include certain cash equivalents held by investment managers, mutual funds, and alternative investments. Investments are measured at fair value in the accompanying balance sheets (Note 4).

Investment income or loss (including interest, dividends and fees), realized gains and losses and unrealized gains and losses on investments are included in (loss) income from operations. Interest income is measured as earned on the accrual basis. Dividends are measured based on the ex-dividend date. Purchases and sales of securities and realized gains and losses are recorded on a trade-date basis.

HumanGood Pennsylvania (a Member of HumanGood East)

Notes to Financial Statements
December 31, 2025 and 2024

The Corporation's investments are comprised of a variety of financial instruments and are managed by investment advisors. The fair value reported is subject to various risks, including changes in the equity markets, the interest rate environment and general economic conditions. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the fair value of investment securities, it is reasonably possible that the amounts reported could change materially in the near term.

Restricted Investments

Certain investments are classified as restricted investments in the accompanying balance sheets (Note 4). These include assets set aside in accordance with donor restrictions.

Land, Buildings and Equipment, Net

Land, buildings and equipment, net are recorded at cost or fair value when received, if donated. The cost basis includes any interest, finance charges and other related costs capitalized during construction. Maintenance and repair costs are charged to operations when incurred.

Depreciation of buildings and equipment is computed on the straight-line method using estimated useful lives of 3 to 40 years. When assets are retired or otherwise disposed of, the cost of the asset and its related accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized for the period.

Asset Impairment

The Corporation periodically evaluates the carrying value of their long-lived assets for impairment. The evaluation addresses the estimated recoverability of the assets' carrying value, which is principally determined based on projected undiscounted cash flows generated by the underlying tangible assets. When the carrying value of an asset exceeds estimated recoverability, an asset impairment is recognized. No asset impairment was recognized at December 31, 2025 and 2024.

Other Noncurrent Assets

Other assets are primarily comprised of contract acquisition costs, contributions for membership in Caring Communities, a Reciprocal Risk Retention Group (CCrRRG), Ziegler Link-Age capital contribution, net, tax credit compliance fees, health insurance program capital contribution, noncurrent portion of pledges receivable and capitalized contract acquisition costs. Related amortization expense of capitalized contract acquisition costs, which is included in depreciation and amortization expense in the accompanying consolidated statements of operations and changes in net assets was \$480,000 and \$87,000 in 2025 and 2024, respectively.

Beneficial Interest in Split-Interest Agreements and Perpetual Trusts

The Corporation has been designated the beneficiary under several split-interest agreements and perpetual trusts.

Under the split-interest agreements, the Corporation primarily recorded the assets and recognized restricted contributions at the fair value of the estimated present value of the remainder interest in the split-interest agreements. The Corporation revalues its interest in the split-interest agreements annually and reports gains or losses in the net assets with donor restrictions class.

A perpetual trust is held by a third-party and is an arrangement in which the donor establishes and funds a trust to exist in perpetuity that is administered by an individual or organization other than the beneficiary. The Corporation has the irrevocable right to receive the income earned on the trust's assets but will never receive the assets themselves. The Corporation recognizes contribution revenue at the time an irrevocable trust is created, at the fair value of the trust's assets (a proxy for present value of discounted cash flows). The contribution revenue is classified with donor restrictions.

HumanGood Pennsylvania (a Member of HumanGood East)

Notes to Financial Statements
December 31, 2025 and 2024

The Corporation revalues its interest in the perpetual trusts annually and reports gains or losses in net assets with donor restrictions class.

Deferred Debt Issuance Costs

Expenses incurred in connection with the issuance of debt are deferred and are amortized over the term of the related financing agreements using the interest method. These unamortized amounts are presented in the balance sheets as a direct deduction from the carrying amount of that debt liability, consistent with debt discounts. Amortization expense, which is included as a component of interest expense, was \$71,000 in 2025 and 2024.

Resident Deposits

Resident deposits included in prepaid expenses, deposits and other assets on the accompanying financial statements, represent entrance fees deposits paid to reserve a residence at Rydal Park and Rosemont. These deposits become part of the entrance fees when the resident moves in, or are fully refundable at the residents' discretion. Resident deposits also represent security deposits paid in advance to cover possible costs when residents vacate their apartments. These deposits are taken into income only if earned upon the termination of a rental agreement.

Entrance Fees

Rydal Park and Rosemont charge entrance fees to residents to obtain a nontransferable right to lifetime occupancy at that community. Residents enter into different types of continuing care contracts depending on their move-in date and the community they reside in. Under the terms of the various contracts, entrance fees are recorded as either rebatable entrance fees due, entrance fees subject to refund or entrance fees nonrefundable. Entrance fees may be nonrebatable or, for certain Rydal Park residents, entrance fees may be subject to refund. Under the nonrebatable contracts, entrance fees are generally subject to refund on a decreasing basis for 32 to 50 months, depending on the contract selected, after which no refund is due or payable.

The refundable contracts have a guaranteed rebate component, which is 50% or 90% of the entrance fees paid; the balance of the entrance fees paid under the 90% refundable contracts is generally nonrefundable while the balance of the entrance fees paid under the 50% contract is generally refundable on a decreasing basis for 25 months.

Nonrefundable entrance fees are recorded as entrance fees nonrefundable upon receipt and amortized to income using the straight-line method over the annually adjusted estimated remaining life expectancy of the resident. Entrance fees subject to refund will be amortized to income in future years unless refunded. The refundable amounts for Rydal Park residents are reported as rebatable entrance fees due and are not amortized to income.

Refunds to residents are generally paid when the residential living unit vacated has been reoccupied by a new resident and the entrance fees have been paid in full by the new resident.

Obligation to Provide Future Services

If the present value of future outflows to provide future health care services to current contracted residents, adjusted for certain noncash items, exceeds the present value of future cash inflows, a liability is recognized. Management engages an actuary to periodically calculate the obligation to provide future health care services to current contracted residents. Based upon the last calculations performed using a discount rate of 5%, the present value of future outflows to provide future services, adjusted for certain noncash items, did not exceed the present value of future cash in-flows. Based upon these calculations, and analysis of management, no liability for the obligation to provide future services has been recorded at December 31, 2025 and 2024.

HumanGood Pennsylvania (a Member of HumanGood East)

Notes to Financial Statements
December 31, 2025 and 2024

Net Assets

Net assets, revenues, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor restrictions. All revenues not restricted by donors and donor-restricted contributions whose restrictions are met in the same period in which they are received are accounted for in net assets without donor restrictions.

Net Assets With Donor Restrictions - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. All revenues restricted by donors as to either timing or purpose of the related expenditures or required to be maintained in perpetuity as a source of investment income are accounted for in net assets with donor restrictions. When a donor restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and are included in net assets released from restrictions in the accompanying statements of operations and changes in net assets.

Net Resident Service Revenues

Net resident service revenues are reported at the amount that reflects the consideration the Corporation expects to receive in exchange for the services provided. These amounts are due from residents or third-party payors and include variable consideration for retroactive adjustments, if any, under reimbursement programs. Performance obligations are determined based on the nature of the services provided. Net resident service revenues are recognized as performance obligations are satisfied.

Payment terms and conditions for the Corporation's resident contracts vary by contract type and payor source. Net resident service revenues for recurring and routine monthly services are generally billed monthly in advance. Net resident service revenues for ancillary services are generally billed monthly in arrears. Additionally, entrance fees are generally billed and collected in advance of move-in.

Net resident service revenues are primarily comprised of the following revenue streams:

Health Center

Health center revenues are primarily derived from providing nursing services to residents at a stated daily fee, net of any explicit and implicit price concessions. The Corporation has determined that health center services are considered one performance obligation, which is satisfied over time as services are provided. Therefore, health center revenues are recognized on a daily basis as services are rendered.

Health center revenues, including monthly service fees, ancillary and other services fees are reported at the estimated net realizable amounts from residents, third-party payors and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payors.

HumanGood Pennsylvania (a Member of HumanGood East)

Notes to Financial Statements
December 31, 2025 and 2024

Rydal Park receives revenues for services under third-party payor programs, including Medicare, Medicaid and other third-party payors. Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action, including fines, penalties and exclusion from the Medicare and Medicaid programs. A summary of the principal payment arrangements with major third-party payors follows:

Medical Assistance - Nursing services provided to Medical Assistance program beneficiaries are paid at prospectively determined rates per day. These rates vary according to a resident classification system that is based on clinical, diagnostic and other factors and the reimbursement methodology is subject to various limitations and adjustments.

Medicare - Nursing and ancillary services provided to Medicare Part A beneficiaries are paid at prospectively determined rates per day. These rates vary according to a resident-specific classification system that is based on clinical, diagnostic and other factors and the reimbursement methodology is subject to various limitations and adjustments.

Medicare Part A and Medical Assistance rates are based on clinical, diagnostic and other factors. The determination of these rates is partially based on Rydal Park's clinical assessment of their residents. Rydal Park is required to clinically assess its residents at predetermined time periods throughout the year. The documented assessments are subject to review and adjustment by the Medicare and Medical Assistance programs.

Other - Rydal Park also entered into payment agreements with certain commercial insurance carriers and others. The basis for payment to Rydal Park under these agreements includes prospectively determined rates per day or discounts from established charges.

Settlements with third-party payors for retroactive adjustments due to audits, reviews or investigations are considered variable consideration and are included in the determination of the estimated transaction price for providing resident care. These settlements are estimated based on the terms of the payment agreement with the payor, correspondence with the payor and Rydal Park's historical settlement activity, including an assessment to ensure that it is probable that a significant reversal in the amount of cumulative revenues recognized will not occur when the uncertainty associated with the retroactive adjustment is subsequently resolved. Estimated settlements are adjusted in future periods as adjustments become known (that is, new information becomes available), or as years are settled or no longer subject to such audits, reviews and investigations. Adjustments arising from a change in the transaction price were not significant in 2025 or 2024.

Personal Care and Memory Support

Personal care and memory support revenues are primarily derived from providing housing and personal care services to residents at stated daily housing and care fees. The Corporation has determined that the services included in the daily fees have the same timing and pattern of transfer and are a series of distinct services that are considered one performance obligation, which is satisfied over time as services are provided. Therefore, personal care and memory support revenues are recognized on a daily basis as services are rendered.

Residential Living

Residential living revenues are primarily derived from providing housing and services to residents. The Corporation has determined that the services included in the monthly fee have the same timing and pattern of transfer and are a series of distinct services that are considered one performance obligation, which is satisfied over time as services are provided. Therefore, residential living monthly fees are recognized on a month-to-month basis.

Notes to Financial Statements
December 31, 2025 and 2024

Entrance fees collected from residents in advance are recognized as deferred revenues from entrance fees until performance obligations are satisfied and are included in entrance fees nonrefundable in the accompanying balance sheets. The Corporation recognized amortization income of \$7,632,000 and \$9,349,000 in 2025 and 2024, respectively. The Corporation updated its life expectancies during 2025 and as a result, amortization income decreased by approximately \$1,087,000. The Corporation applies the practical expedient in the Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC) 606 *Revenue From Contracts With Customers*, and therefore, do not disclose amounts for remaining performance obligations that have original expected durations of one year or less. The guaranteed refund component of entrance fees is not amortized to income and is classified as refundable entrance fees and deposits in the accompanying balance sheets.

Revenues from nonrefundable entrance fees received are recognized through amortization of entrance fees using the straight-line method over annually adjusted estimated remaining life expectancies of the residents which approximates the period of time the goods and services under the agreements are expected to be transferred to residents. The unamortized portion is classified as entrance fees nonrefundable in the balance sheets.

Affordable Housing Fees

Affordable housing fees include management fees for management services provided to HGE's affordable housing communities, which are affiliates of the Corporation, and unrelated entities that provide affordable housing for seniors. These fees are recognized as these services are provided.

Contract Balances

Contract assets represent the Corporation's right to consideration in exchange for goods or services that the Corporation has transferred to a resident when that right is conditioned on something other than the passage of time (for example, the Corporation's future performance). Contract liabilities represent the Corporation's obligation to transfer goods or services to a resident for which the Corporation has received consideration (or the amount is due) from the resident.

The Corporation's beginning and ending contract liabilities are separately presented on the balance sheets as of December 31, 2025 and 2024, as described below. There were no contract assets as of December 31, 2025 or 2024 or January 1, 2024. Contracts liabilities as of January 1, 2024 were as follows (in thousands):

Entrance fees subject to refund	\$	18,872
Entrance fees nonrefundable		29,022

Benevolence

The Corporation provides services to residents who meet certain criteria under their benevolence policy without charge or at amounts less than its established rates. Partial payments to which the Corporation is entitled from public assistance programs on behalf of residents that meet the Corporation's benevolence criteria are reported as revenues. Because the Corporation does not normally pursue collection of amounts determined to qualify as benevolence, they are not reported as revenues. For the years ended December 31, 2025 and 2024, benevolence recorded was \$2,042,200 and \$2,020,000, respectively.

The financial assistance amounts above are not materially different than the difference between the cost of providing services to residents that qualified for financial assistance and the amounts these residents were able to pay for services rendered.

Performance Indicator

The statements of operations and changes in net assets includes the determination of (loss) income from operations. Changes in net assets without donor restrictions, which are excluded from (loss) income from operations consistent with industry practice, include net assets released from restrictions used for property and equipment and equity transfers.

Tax-Exempt Status

The Corporation is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal income taxes on their exempt income under Section 501(a) of the Internal Revenue Code and is also exempt from state and local income taxes under similar statutes.

The Corporation assesses uncertain tax positions in accordance with the provisions of the FASB ASC Topic 740-10, *Income Taxes*. The Corporation recognizes the tax benefit from uncertain tax positions only if it is more likely than not that the tax positions will be sustained on examination by the tax authorities, based on the technical merits of the position. The tax benefit is measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. The Corporation recognizes interest and penalties related to income tax matters in operating expenses. At December 31, 2025 and 2024 there were no such uncertain tax positions.

Reclassifications

Certain prior year amounts have been reclassified to conform to the current year presentation.

3. Liquidity and Availability of Resources

As of December 31, the Corporation has financial assets available for general expenditure within one year of the balance sheet date, consist of the following (in thousands):

	<u>2025</u>	<u>2024</u>
Cash and cash equivalents	\$ 4,153	\$ 4,495
Resident accounts receivable, net	2,406	2,794

Investments	<u>83,859</u>	<u>74,901</u>
Total	<u>\$ 92,701</u>	<u>\$ 87,523</u>

The Corporation has investments which are available for general expenditure within one year in the normal course of operations. Accordingly, these assets have been included in the qualitative information above. The Corporation has other restricted cash and cash equivalents and investments, held for deposits from initial sales contracts, assets held by trustees under trust indentures, and assets reserved for donor-restricted purposes. These restricted cash and cash equivalents and investments, which are more fully described in Note 4, are not available for general expenditure within the next year and are not reflected in the amounts above.

Notes to Financial Statements
December 31, 2025 and 2024

As stated in Note 4, the Corporation designated a portion of its investments "reserved" to comply with the requirements of Pennsylvania Act 82, which are excluded from the total financial assets available for general expenditure within one year of the balance sheet date. Although the Corporation does not intend to utilize the Act 82 Reserves for general expenditures as part of its annual budget and approval process, amounts designated as Act 82 reserves could be made available as necessary. The Act 82 reserves are included with the restricted investments in Note 4, and do not have third-party restrictions or limitations on the withdrawal and subsequent liquidation of such funds.

4. Investments and Restricted Investments

The composition of investments and restricted investments is set forth in the following table (in thousands):

5. Fair Value Measurements

FASB ASC Topic 820, *Fair Value Measurement*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. FASB ASC Topic 820 also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or net asset value (NAV) per share (or its equivalent) with the ability to redeem the investments in the near term.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis and recognized in the accompanying financial statements, as well as the general classification of such instruments pursuant to the valuation hierarchy:

Mutual funds - Mutual funds registered with the U.S. Securities and Exchange Commission as mutual funds under the Investment Company Act of 1940 are valued based on quoted market prices and are categorized as Level 1.

Investments and restricted investments in the accompanying balance sheets includes \$21,586,000 and \$18,772,000 of an alternative investment fund (the Fund) at December 31, 2025 and 2024, respectively. The Fund is measured using the NAV per share as a practical expedient. The following represents the objectives and redemption restrictions for the Fund:

Hirtle Callaghan Select Equity Fund, LP - The investment objective of the fund is to generate long-term growth in assets by investing primarily in equity and equity-related securities. To realize the objective, the fund may allocate capital to be managed by third-party investment managers, as well as make directly investments. The fund allocates capital to managers through separate accounts and by subscribing to open and/or closed-end funds sponsored by such managers. While the fund intends that its investments will have a predominately long-bias, the fund will not be limited with respect to the types of investment strategies or structures it may employ or the markets or securities in which it may invest, except as it relates to the use of leverage. A limited partner may withdrawal all or a portion of its capital account as of the last day of each calendar quarter, or at such other times as the General Partner may determine in its sole discretion, provided that the capital account has been in existence for at least 12 months as of the relevant withdrawal date. Withdrawals shall require no less than 90 days' prior written notice to the General Partner. The General Partner, in its sole discretion, may waive the notice requirement for any withdrawal. Withdrawals by investors with more than one capital account will be on a first-in first-out basis. There were no unfunded commitments related to this fund at December 31, 2025.

(a) In October 2017, the Montgomery County Higher Education and Health Authority issued \$88,145,000 of Series 2017 Revenue Bonds (the 2017 Bonds) on behalf of the Corporation. Proceeds from the 2017 Bonds were primarily used to refund the 2010 Bonds, the 2013 Bonds, finance various capital projects and fund a debt service reserve fund for the 2017 Bonds.

The 2017 Bonds bear interest payable semi-annually at rates ranging from 2% to 5%. Principal payments on the 2017 Bonds are due in varying annual installments through 2048.

The 2017 Bonds have been issued under a Master Trust Indenture dated October 1, 2017, as supplemented, which secures the obligations of the Corporation and includes a security interest on substantially all of the Borrower's property and equipment. The Corporation is subject to financial covenants under the terms of the Master Trust Indenture which includes debt service coverage ratio and minimum days cash-on-hand requirements.

8. Retirement Plan

The Corporation also participates in a defined contribution retirement plan covering all eligible employees. The Corporation's contribution is a match of employee contributions up to 4% of eligible earnings in a calendar year. Expenses, net of forfeitures and adjustments, related to the plan were approximately \$846,000 in 2025 and \$611,000 in 2024.

9. Self-Insured Programs

Workers' Compensation Plan

The Corporation maintains a plan of self-insurance for workers' compensation claims in accordance with Pennsylvania Department of Labor and Industry regulations. The estimated liabilities were arrived at using information provided by an outside actuary and include a provision for incurred but not reported claims.

Unemployment Compensation Plan

The Corporation is self-insured for unemployment compensation benefits in accordance with Commonwealth of Pennsylvania regulations. The Corporation has elected to pay actual claims incurred in lieu of the Commonwealth's premium as permitted for nonprofit organizations. The Corporation believes all costs related to this self-insurance program have been properly accounted for and accrued at December 31, 2025 and 2024.

Health Insurance

The Corporation is self-insured for health insurance claims for eligible active employees with certain self-insured retention limits. The program is managed by COG and estimates of the liability for claims incurred but not reported are included in the combined balance sheets of COG and costs related thereto are allocated to the Corporation through intercompany transactions based on a percentage of payroll.

10. Professional Liability Insurance

The Corporation maintains professional liability coverage on a claims-made basis as a member of CCrRRG. In addition to premiums paid under this policy, a legal reserve of \$1,750,000 and \$1,975,000 is included in accounts payable and accrued expenses in the accompanying balance sheets as of December 31, 2025 and 2024, respectively, to cover estimated self-insurance retentions. Management believes no incidents occurred or will be asserted that will exceed the Corporation's insurance coverages or will have a material adverse effect on the financial statements.

11. Net Assets With Donor Restrictions

The purpose restricted assets are those whose use by the Corporation has been limited by donors to a specific purpose and are primarily available for resident support. Funds held by trustee are funds held by a bank in which Corporation has a proportion of the fair market value and from which dividends and interest are paid. Funds restricted in perpetuity have been restricted by donors to be maintained by the Corporation in perpetuity, the investment income from these funds is expendable to support the Corporation. Net assets with donor restrictions consist of the following for the years ended December 31, 2025 and 2024 (in thousands):

	<u>2025</u>	<u>2024</u>
With donor restrictions:

14. Transactions With Affiliates

Intercompany advances due of \$4,136,000 and \$5,084,000 at December 31, 2025 and 2024, respectively, represent management fees receivable and other operating advances to the HGE Affordable Housing Communities, for which there are no fixed repayment terms and which are expected to be settled during the normal course of business.

Other affiliate receivables of \$3,315,000 and \$4,606,000 at December 31, 2025 and 2024, respectively, represent net development fees receivable from Cantrell Place, LP, Witherspoon Senior Apartments, LP, Janney Street Apartments, LP, Mary Field Senior Apartments LP, Maple Village Apartments LP (HGE Affordable Housing Communities), and Makemie as well as a subordinated loan between the Corporation and Riverside Senior Apartments, LP (an HGE Affordable Housing Community). The amounts are evidenced by, and are to be paid in accordance with, the terms of their respective developer agreements. Management believes the balances due from communities listed above are fully collectible.

In April 2008, the Philadelphia Authority for Industrial Development issued \$15,000,000 of Series 2008 Bonds on behalf of Riverside Senior Apartments, LP (an HGE Affordable Housing Community) (RSA). The Corporation is a guarantor on the Series 2008 Bonds. In addition to the guaranty agreement, the Bonds are secured by a mortgage agreement on certain property and equipment of RSA. In March 2025, NorCal purchased at par the outstanding Series 2008A Bonds in the amount of \$7,510,000. Principal payments on the Series 2008A Bonds are due in quarterly installments ranging from \$10,000 to \$970,000 through April 2048 (Note 7). As of December 31, 2025 and 2024, the outstanding principal amount is \$7,150,000 and \$7,650,000, respectively, on the Series 2008A Bonds. Principal on the Series 2008B Bonds are payable from and to the extent of RSA's available surplus cash. As of December 31, 2025 and 2024, the outstanding principal amount is \$6,000,000 on the Series 2008B Bonds.

Notes to Financial Statements
December 31, 2025 and 2024

Contributions to the Corporation from affiliates included in unrestricted contributions of \$1,952,000 and \$2,080,000 in 2025 and 2024, respectively, are primarily attributable to amounts received from Bala for resident, chaplain and philanthropy support. Contributions to the Corporation from affiliates for capital expenditures included in equity transfers of \$1,000 and \$871,000 in 2025 and 2024, respectively, are attributable to amounts received from Bala for capital expenditures. In addition, the Corporation contributed support to HumanGood Cornerstone in the amount of \$420,000 and \$509,000 in 2025 and 2024 respectively, which is also included in equity transfers.

The Corporation provides management services and other support services to HGE's subsidiaries as well as 18 unrelated affordable housing communities under management agreements. Management fees paid to the Corporation by related parties were \$1,384,000 and \$1,313,000 in 2025 and 2024, respectively, which are recorded in affordable housing fees revenue on the statement of operations and changes in net assets.

Payables to affiliates balances of \$1,285,000 and \$4,897,000 as of December 31, 2025 and 2024, respectively, represent amounts the Corporation owed NorCal for various costs which are expected to be settled during the normal course of business with no fixed repayment terms.

15. Contingencies

Legal

The Corporation is party to various claims and legal actions in the normal course of business. In the opinion of management, based upon current facts and circumstances, the resolution of these matters is not expected to have a material adverse effect on the financial position of the Corporation.

Senior Living Services Industry

The senior living services industry is subject to numerous laws, regulations and administrative directives of federal, state and local governments and agencies. Compliance with these laws, regulations and administrative directives is subject to future government review and interpretation, as well as regulatory actions unknown or unasserted at this time. Government activity continues to increase with respect to investigations and allegations concerning possible violations by healthcare providers of fraud and abuse statutes and regulations, which could result in the imposition of significant fines and penalties as well as significant repayments for resident services previously billed. Management is not aware of any material incidents of noncompliance.

16. Concentrations

The Corporation grants credit without collateral to its residents, most of whom are local residents and some of whom are insured under third-party payor agreements, primarily with Medical Assistance, Medicare and various commercial insurance carriers.

The Corporation maintains cash accounts, which, at times, may exceed federally insured limits. The Corporation has not experienced any losses from maintaining cash accounts in excess of federally insured limits. Management believes that it is not subject to any significant credit risk.

December 31, 2025 and 2024

17. Subsequent Events

Subsequent events are events or transactions that occur after the balance sheet date but before financial statements are issued. The Corporation recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the balance sheet, including the estimates inherent in the process of preparing the financial statements. The Corporation's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the balance sheet but arose after the balance sheet date and before financial statements are issued.

The Corporation has evaluated subsequent events through April 29, 2026, which is the date the financial statements were issued.
